

PROCLAMATION
OF THE
BOARD OF SUPERVISORS
COUNTY OF HUMBOLDT

WHEREAS, a safe, reliable blood supply that is collected and stored locally means patients in our communities can access quality healthcare locally and receive a transfusion without delay; and

WHEREAS, blood donors are the local heroes that help heal our neighbors, friends, and families, and their donation is the difference between life and death in many instances; and

WHEREAS, the act of giving blood personifies our community spirit – to act with compassion and become a hero for a stranger in need.

NOW, THEREFORE, be it resolved that the Humboldt County Board of Supervisors does hereby proclaim January National Blood Donor Month throughout Humboldt County. And the Northern California Community Blood Bank would like to urge all elected and appointed officials and all community members to donate blood to help their fellow community members if eligible. Give so that others may live.
