2. Award Bid No. 2024-2 to Synagro-WWT, Inc., authorizing a (2) two-year contract, with a potential to extend the contract for (1) one year; with an annual not to exceed amount of \$314,000.

### **FISCAL IMPACT**

No Fiscal Impact  Included in Budget  Additional Appropriation

### **COUNCIL GOALS/STRATEGIC VISION**

- Quality of Life
- Health and Safety

### **DISCUSSION**

This service contract consists of hauling and disposal of dewatered sludge from the Elk River Waste Water Treatment Plant for two years. The plant is continually producing sludge and dewatering it with a centrifuge and storing it in a covered storage facility.

The City successfully completed two service contracts for hauling biosolids. The 2024/26 service contract is similar in structure to the past years contract which has proven successful. A proposal was received on a price per ton basis for the wet and dry season hauling on an as-needed basis.
