Re: License Agreement

Dear Andy and Deborah:

It was good talking to you. It sounds like life has been good for the last few years. I wish both of you continued good health and happiness.

This is to notify you that the County of Humboldt is exercising the option to extend the License for the Pratt Mountain Radio Facility through March 31, 2019. All other terms of the License remain the same.

If you have any questions about the License, please contact me. As always, thank you for your continued support and cooperation of the County.

Sincerely,

RONDA KIME
Senior Real Property Agent
