DISCUSSION:

Pursuant to California Welfare and Institution Code Sections 4330, *et seq.*, the California Mental Health Services Authority contracts with the California Department of State Hospitals regarding the use of state hospital facilities on behalf of counties participating in the State Hospitals Program. The attached participation agreement with the California Mental Health Services Authority will allow the Humboldt County Department of Health and Human Services - Behavioral Health ("DHHS -

Behavioral Health”) to place Humboldt County clients who require twenty-four (24) hour supervision at any of the five (5) state hospitals, when no other facilities are available, for the period of July 1, 2022, through June 30, 2023. It should be noted that the attached participation agreement with the California Mental Health Services Authority comes to the Board after the start date thereof due to inadvertent delays that occurred during the contract development process.

Accordingly, DHHS - Behavioral Health recommends that Board approve, and authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute, the attached participation agreement with the California Mental Health Services Authority regarding DHHS - Behavioral Health’s participation in the State Hospitals Program for the period of July 1, 2022, through June 30, 2023. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to approve any and all subsequent extensions, modifications and amendments to the attached participation agreement with the California Mental Health Services Authority, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the placement of County of Humboldt clients at state hospital facilities.

FINANCIAL IMPACT:

The attached participation agreement the California Mental Health Services Authority has a maximum amount payable of One Thousand Four Hundred Two Dollars (\$1,402.00) per state hospital bed utilized by DHHS - Behavioral Health during the period of July 1, 2022, through June 30, 2023. Expenditure appropriations related to the attached participation agreement with the California Mental Health Services Authority have been included in the approved fiscal year 2022-2023 budget for DHHS - Behavioral Health Administration budget unit 1170-424. Funding for the attached participation agreement with the California Mental Health Services Authority is available through state realignment revenues received by DHHS - Behavioral Health. As a result, approval of the attached participation agreement with the California Mental Health Services Authority will not impact the Humboldt County General Fund.

STRATEGIC FRAMEWORK:

The recommended actions support the Board of Supervisors Strategic Framework by protecting vulnerable populations, creating opportunities for improved safety and health and providing community-appropriate levels of service.

OTHER AGENCY INVOLVEMENT:

None

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached participation agreement with the California Mental Health Services Authority regarding DHHS - Behavioral Health’s participation in the State Hospitals Program. However, this alternative is not recommended since it would prevent DHHS - Behavioral Health from placing Humboldt County clients who require twenty-four (24) hour supervision at state hospital facilities when no other facilities are available.
