**IRREVOCABLE OFFER OF DEDICATION FOR  
PUBLIC, NON-VEHICULAR ACCESS EASEMENT**

KELLY PATTON AND SHELBY PATTON, husband and wife as joint tenants ("Grantor"), hereby irrevocably offers for dedication to the COUNTY OF HUMBOLDT, a political subdivision of the State of California ("Grantee"), a non-exclusive, public, non-vehicular ingress/egress easement ("Easement") over, on, across, under and upon the land described as follows:

A 20 foot wide easement lying northerly of the Northwest Pacific Railroad (NWP RR) right of way as established per deed from A.C. Noe to California Midland Railroad Company, per document recorded on July 11, 1902 in Book 79, page 313 of Deeds in the Office of the County Recorder of Humboldt County as described in Exhibit "A" (legal description) and shown on Exhibit "B" (plat).

Said easement is for the benefit of the land described in document recorded on July 11, 1902 in Book 79, page 313 of Deeds and on July 12, 1902 in Book 79, page 316 of Deeds in the Office of the County Recorder of Humboldt County.

It is understood that this instrument transfers to County of Humboldt said Easement, together with the right to assign or convey said easement to another agency, including, but not limited to, the Great Redwood Trail Agency, its successors or assignees. It is understood that holder of the Easement, once accepted, is responsible for the costs to maintain Easement and its appurtenances and signage.

Easement is hereby offered at such time as the County accepts the Easement for the purpose stated above. It is further understood that each undersigned Grantor grants only the portion of the above-described land in which said Grantor has an interest and reserving to the Grantor all ordinary uses of said land except the erection or construction

of any structure not ordinarily placed in said Easement until such time as said Easement is accepted by the County and/or is opened for public use.

Grantor shall provide Grantee with keys or combinations to open any and all gates installed within said Easement. Grantee shall ensure that all gates are securely locked at all times of nonuse.

Grantee shall, to the fullest extent permitted by law, indemnify, defend and hold harmless Grantor and its agents, contractors, successors, or assigns from and against any and all liability for injuries, damages, costs, losses, and expenses resulting from, arising out of or in any way connected with the occupation or use of the Easement by Grantee or anyone else entering the Easement at Grantee's direction or invitation. Grantee's indemnification of Grantor shall include the defense and satisfaction of any claims and liabilities arising from public use of Easement due to inadequacy of signage, design, construction and maintenance of the related improvements.

Grantor shall, to the fullest extent permitted by law, indemnify, defend and hold harmless Grantee from and against any and all liability for injuries, damages, costs, losses, and expenses incurred by Grantee that are the direct result of Grantor's active negligence or greater fault, or the failure of the part of Grantor to perform its obligations.

This offer is binding on the Grantor, Grantor's heirs, assignees or successors in interest, and shall continue until accepted or rejected, in whole or in part, within the statutory 25-year period from the date of this Easement, by the County Board of Supervisors of the County of Humboldt. Should Easement not be accepted, the Easement shall revert to Grantor. Grantee agrees to execute and deliver such documents as may be required to extinguish of record such Easement.
