RE: **COSBY; APN 510-192-017, APPS# PLN-2022-17912-SP**

This project is for an after-the-fact construction of a storage building.

ROAD: The proposed project is located on Wisner Avenue, a non-county maintained road, which accesses onto the north side of West Bates Road, a non-County maintained road.

Our review of this project is limited to what is shown on the submitted plot plan. If other facilities not shown on the plot plan will be constructed, contact this Department immediately for approval **before** construction. This Department has regulations regarding facilities such as retaining walls, fence site visibility, drainage culverts, and parking lanes within the County right of way. This Department has included general statements for facilities that may not be included on the plot plan.

Information notes:

1. At the time of building permit issuance development of the parcel will require the payment of drainage fees pursuant to Section 328.1-13, Humboldt County Code.
5. Low Impact Development (LID): The subject property is located within the municipal separate storm sewer system (MS4) boundary area. Development of the property will be required to comply with the MS4 permit requirements.
