Hi Kirstie,

Planning has reviewed the requested summary vacation of 5 feet and found that the vacation does not conflict with the requirements of the subdivision map, and the vacation is in conformance with the Humboldt County General Plan. We can prepare a more official memorandum if needed, unless this email will suffice for our review. Thank

Cliff

Cliff,

As a follow up to the emails below, as we have the streets and highways code to refer to, does planning want to add a memo stating they have no involvement with this vacation? We can mention it in the staff report as apposed to a memo.

Thank you,

I think we could just put it in the staff report, but check with them and give them the option, in case they would prefer to have a review of it on file.
