DISCUSSION

Under the current Eureka Municipal Code, "the affirmative vote of a majority of the entire membership" of a City board, commission, or committee is necessary for the "final transaction of any business", regardless of how many members attend a meeting. The proposed amendment would require only the vote of a majority of the members in attendance at a meeting for the final transaction of business. The proposed amendment would not impact the number of members required for a quorum, and would not apply to the City Council.
