Attachment for Commercial Medical Marijuana (CMM) Clearances/Permits

Applications for CMM Clearances and/or Permits are reviewed by the Division of Environmental Health (DEH) for compliance with regulations intended to protect public health and the environment. Submit this form to the Planning Division with your CMM Permit Application for referral to DEH. If the requested information is already provided in other documents submitted to the Planning Division, provide the title of the document with page and section numbers where it is located.

Name of Business: Barrett Farms, LLC Primary Contact Person: Dashiell Miller
Site Address: Dinsmore Phone: (510) 365-5794
APN: 208-341-034 Email: dashiell@barrettfarms.com

General Project Description (cultivation, processing, manufacturing; seasonal vs year round etc.)
14,650 sq. ft. of mixed light cultivation
Planning Application (APPS#): 11547

Wastewater (Doc. Title Cult. Ops. Secure Plan page 3 section 3)

- Connected to public sewer _____ Onsite waste water system No
- Number of Employees: average _____ peak operations: _____
- Hours of Operation/shifts per day: average _____ peak operations: _____
- Additional flow from processing: _____ GPD. Description of effluent _____

This parcel has no residence or processing. Residence and septic on 208-341-032

- Describe the proposed and existing wastewater generating structures and method(s) of effluent disposal.

Water Source (Doc. Title Cult. Ops. Secure Plan page 1 section 1)

- Describe and show the water source(s) available on the property and what they serve.
 - Public Water System
 - Well Permit Number(s): On Request
 - Unpermitted Well
 - No Existing Water Source
 - Spring
 - Approved Surface Water/Description _____
 - Unapproved Surface Water/Description _____
 - Other: Rain catchment
- Describe the approximate daily water demand for the current and projected uses on the property and method used to calculate demand: *See cultivation plan for water usage details

Consumer Protection (Doc. Title N/A page N/A section N/A)

- List/Describe any food production or service: N/A
- Describe and show on site plan, any existing or proposed kitchen infrastructure: N/A

Note: DEH does not currently regulate edible cannabis products. Any other food production may require a Plan Check and permitting.

Hazardous Materials (Doc. Title Cult. Ops. Secure Plan page 3 section 3)

- List/describe production/cultivation machinery (e.g. generator, tractor, OHV, trimmer, heaters etc.): (2) 120,000 btu heaters, snap fans, and solar panels; Gould J7 Water pump, 85 gallon pressuere tank, Shur Flo 9300 solar well pump.
- Equipment Maintenance/Service (e.g., changing oil, antifreeze, etc.): Onsite or Offsite
- List/describe fuel/oil(s) used or produced onsite (e.g. gasoline, diesel, propane, other?). Provide amounts and storage method(s): (2) 20-gallon propane cylinders, (4) 10-gallon propane cylinders (1) 50-gallon diesel tank, (1) 300-gallon diesel tank
- List/describe all compressed gases, cleaners, solvents and sanitizers (including, but not limited to, household chemicals, bleach and alcohol). Provide amounts and storage method(s): None
- List/describe fertilizers, soil amendments and biocides (including organic ones). Provide amounts and storage method/area(s): None stored. All stored on adjacent parcel 032.

* Attach Safety Data Sheets (SDS)

Solid Waste/Recycling (Doc. Title Cult. Ops. Secure Plan page 3 section 3)

- List/describe the different anticipated solid waste/recycling, composting products and anticipated amounts: Weekly disposal in Fortuna- approximately 3 trash bags and 1 recycling bag
- Describe, and show on the site plan, the designated area for storage of recycling and solid waste (containers stored outside must be covered): Animal proof mobile trash container ie (dumpster)
- Describe waste removal plan including frequency and destination
 - Garbage (1x/week) Bi-weekly ore more often as needed
 - Recycling(x/month) 1 bag/weekly (avoid nuisances including odors and vermin)
 - Hauling via Garbage/Recycling Service: _____ or Self Haul XX
- Preferred permitted solid waste/recycling facility: Eel River Disposal

Note: Spent growth medium with no further agricultural use is considered solid waste. It must be stored under cover until it can be hauled to a waste facility.
