SOURCE OF FUNDING:

Behavioral Health Fund (1170), City of Arcata

DISCUSSION:

On June 21, 2021 the City of Arcata was allocated funding through the American Rescue Plan Act, a portion of which the Arcata City Council set aside for the purpose of expanding local capacity to provide services and assistance to support the needs of individuals and families who are experiencing, or at risk of experiencing, homelessness in the City of Arcata. The Arcata Police Department desires to utilize such funding to continue to work collaboratively with the Humboldt County Department of Health and Human Services - Behavioral Health ("DHHS - Behavioral Health") to support the

provision of various community outreach services that are consistent with the goals and objectives of the American Rescue Plan Act.

The attached memorandum of understanding with the City of Arcata will allow DHHS - Behavioral Health to assign two (2) members of the Mobile Intervention and Services Team, up to two (2) days per week each, to provide, in collaboration with the Arcata Police Department Patrol and Community Response Unit, community outreach services, including, without limitation, assistance with obtaining emergency shelter and/or permanent housing and accessing behavioral health services and other community resources, for the period of March 20, 2022 through December 31, 2024. The benefits of the proposed collaborative relationship between the County of Humboldt and the City of Arcata include, without limitation, increased coordination of interagency responses and assurance that services are delivered with a wellness focus.

Accordingly, DHHS - Behavioral Health recommends that the Board approve, and authorize the Chair of the Board to execute, the attached memorandum of understanding with the City of Arcata regarding the provision of community outreach services that are designed to assist and support individuals and families who are experiencing, or at risk of experiencing, homelessness in the City of Arcata for the period of March 20, 2022 through December 31, 2024. It is also recommended that the Board authorize the DHHS - Behavioral Health Director, or a designee thereof, to execute any and all subsequent amendments to the attached memorandum of understanding with the City of Arcata, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed community outreach, engagement as well as linkage and brokerage of needed services.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the attached memorandum of understanding with the City of Arcata regarding the provision of community outreach services that are designed to assist and support individuals and families who are experiencing, or at risk of experiencing, homelessness in the City of Arcata.
