COUNCIL GOALS/STRATEGIC VISION

- Empowering and Engaging for a Healthy Community

DISCUSSION

Bid No. 2022-13 for Elk River Estuary Enhancement includes tidal marsh habitat restoration and public access improvements across approximately 114 acres. The Enhancement Project is funded with multiple state and federal grants.

On April 19, 2022, the Eureka City Council awarded Bid No. 2022-13 to Figas Construction for the base-bid amount of \$3,069,635.00, and authorized a total contract of \$3,376,600.00 which included a contingency of approximately 10%. On September 20, 2022, Council authorized \$306,963.00, for additional project scope involving excavation and earthwork tasks, for a total contract amount of \$3,683,563.00. Total construction amount for the project came to \$3,650,903.00.

Subsequent phases of restoration work, such as planting and monitoring, will be performed following the earthwork and trail construction completed in Bid No. 2022-13. Those subsequent phases will be performed through 2027.

Staff has determined that the work specified in Bid No. 2022-13 has been completed in substantial conformance with the plans and specifications. Therefore, staff recommends that Council accept the Elk River Estuary Enhancement Project Bid No. 2022-13 and authorize staff to file a Notice of Completion.
