56.5.1 Purpose. The purpose of these regulations is to allow dwellings and mixed-use development within commercial and limited industrial areas to encourage housing development and infill.

56.5.2 Applicability. These regulations shall apply in Neighborhood Commercial (C-1), Community Commercial (C-2), Industrial Commercial (C-3), Highway Service Commercial (CH), and Business Park (MB).

56.5.3 Development Standards for Commercial Residential.

56.5.3.1 Site Eligibility. Commercial Residential cannot be on a site or adjoining a site where more than one-third of the square footage is dedicated to industrial use.

Approval of reductions in required parking and sharing of parking shall be based on substantial evidence provided by the applicant documenting the adequacy of fewer spaces. Documentation may include but is not limited to customer traffic, location within one-half (1/2) mile of a transit stop and connection with appropriate pedestrian and bicycle facilities, available public parking, surrounding land use mix, or peak parking demand of adjacent uses.

56.5.3.3.1 Exceptions to Parking Standards. Parking standards for new residential units allowed as a commercial residential development shall not apply if the commercial residential development is located within one-half (1/2) mile walking distance of public transit and consists entirely of affordable housing units with covenants and restrictions ensuring long term affordability.

56.5.3.4 Existing Commercial Use. Conversion of existing commercial space into residential space shall not result in the eviction of existing businesses.
