Siana, It looks like I addressed my first email to the wrong person. I was told to address my concerns to Karen. I apologize for that.

I also needed to make a clarification that my husband and I live at the Royal Crest Mobile Estates and our water and sewer bill is not sent directly to us. However, it does still eventually get to the City of Fortuna.

Thank you for responding so promptly.

To Karen Zueger-Brownell,

I am a very concerned resident of Fortuna as to the possible 50% water and sewer bill hike. My husband and I are seniors who live on a fixed income, so we are limited in our resources. Please pass the news on that this is an outrageous idea.

Thank you,

Michele Stockman
