STROMBECK ZONE RECLASSIFICATION PETITION FINDINGS

APN 511-491-021

2427 Elizabeth Road, McKinleyville CA 95519

This Petition for a Zone Reclassification is proposed to allow for the subsequent subdivision of a 14.98 acre parcel. The parcel is currently zoned Agriculture General with a minimum parcel size of 10 acres (AG-B-5(10)) and this petition requests consideration of a minimum parcel size of 5 acres.

Section 50.3.1:

This proposal is in the public interest because it will create an additional parcel for housing development in a highly desirable area of the unincorporated area of Humboldt County, between McKinleyville and Fieldbrook.

Section 50.3.2:

The subject parcel has a General Plan designation of Residential Agriculture specifying average parcel size of 5-20 acres. This petition is consistent with the plan density specified in the McKinleyville Community Plan. Humboldt County is struggling to keep up with demand for housing and Section 8.3 of the 2019 Housing Element states "Continuing to provide an adequate supply of land for housing is one of the most significant goals of this Plan." The Housing Element mentions the necessity of providing for all types of housing and this new parcel will create potential for additional dwelling units.

Section 50.3.3:

The subject property is not located within the Coastal Zone, therefore no Local Coastal Plan Amendment will be required.

Section 50.3.4:

The proposed amendment will not reduce the residential density for any parcel below that utilized by the Department of Housing and Community Development in determining compliance with housing element law.
