

CSAC Grants Initiative

FREE RESOURCES + OPTIONAL SERVICES

WHO - The CSAC Grants Initiative is a partnership between the **California State Association of Counties (CSAC)** and **The Ferguson Group (TFG)** that helps connect counties with federal, state, and foundation grants. At CSAC, we use our knowledge of California communities and our 501(c)3 to run the program while TFG uses their 40 years of experience to provide the services.

WHAT - CSAC is offering all members access to no-cost grant resources, including a Weekly Grants Newsletter for staying informed, Project Ideas Portal for getting feedback, and Template Applications for writing grants. Interested members can also access our flat-rate service options, including a suite of annual services and a range of a la carte services—all discounted by 10%.

WHY - Our premium options are **AFFORDABLE** because you get CSAC's negotiated discounts; **EFFICIENT** because you contract directly through CSAC; and **FLEXIBLE** because you can treat the hours and services within your consulting package as fungible.

HOW - For more, please email **Brian Rutledge** at CSACgrantsinitiative@counties.org or visit CSACgrantsinitiative.org.
