Peakview, Inc.
KevinPeak
PO Box 1951
Redway, CA 95560

At the request of the Humboldt County Planning Department, let this communication serve as clarification that all proposed grading flat areas shown on the plans created by this office for the above referenced project were positioned in specific determined areas where the ground was surveyed to be less than 15% based on topographic contour surveys. Please contact the office for any additional clarification.

Sincerely,

Allan M. Baird
Principal Engineer
A.M. Baird Engineering and Surveying, Inc.
