Dear Mr. Adair:

This is in response to your request for approval to use Workforce Innovation and Opportunity Act (WIOA) funds to purchase **a contract for the research of Off-Shore Wind Supply Chain and Worker Readiness for Humboldt County with Xodus Group**. The total cost is \$450,000.

Based upon the information provided, the charging of WIOA funds appears to be a reasonable, allowable, and necessary request. Therefore, approval is granted to charge the appropriate WIOA funds account, keeping in mind accurate records must be maintained for this transaction. We assume this purchase will follow the requirements of Title 2 Code of Federal Regulations, Parts 200 and 2900 as well as your local procurement guidelines.
