DISCUSSION

The City has been replacing the existing fleet of dump trucks over the last several years. Recent purchases have included smaller three cubic yard trucks, a configuration not previously found in the fleet. Recently, older dump trucks dating to 1986 have failed and are not cost effective to repair.

Staff proposes to replace the failed unit with a new F650 dump truck purchased from Harper Ford for an estimated total of \$112,461.50.

Staff obtained quotes from five dealers and found that Harper Ford was able to provide the lowest price, when considering the 5% local preference as allowed by EMC § 39.39(F) and Policy 2.00 § IV.B.3. The convenience of having this unit delivered to a local dealer before the end of the year, as opposed to having to send staff south to retrieve the unit or pay for delivery, saves additional expense.

BID SUMMARY:

Rank	Bidder	Amount	Local Preference	Total
4(tie)	Crown Motors	\$119,323.27		\$119,323.27
