Re: Williamson Act Advisory Committee

To the Family of John Rice,

On behalf of the Humboldt County Board of Supervisors, we would like to recognize John's service on the Williamson Act Advisory Commission for the past twenty years. John was originally appointed in 2003 and served as the District 2 Representative. He was a valuable asset to both the committee and the community he served. We would like to extend our appreciation of his dedication to you and our condolences on his passing.

Sincerely,

Steve Madrone, Chair
Humboldt County Board of Supervisors
