DISCUSSION:

On October 30, 2023, Rio Dell Volunteer Fire Department (RDVFD) received a call about a man stuck in a tree. RDVFD requested back up from a tree service company that had the equipment and skill to assist them. Dan Collins Tree Service responded and sent Mike Belmont to the scene to climb a 150' tree to rescue the man. When Mike climbed to the individual's aide, he was confronted with a very traumatic situation as the man had committed suicide. Mike was instrumental in the effort to lower the victim to the ground by guiding the victim through the limbs and branches while ground staff lowered the rescue system. This heroic, selfless act was above and beyond the call of duty.

The Board of Supervisors would like to recognize the efforts and actions of Mike Belmont and acknowledge the importance of heroic efforts by presenting a Certificate of Recognition. This Certificate was given at the Annual Dinner at the Rio Dell Fire Station on February 17, 2024.
