12. NUCLEAR-FREE HUMBOLDT COUNTY ORDINANCE COMPLIANCE:

By executing this Agreement, CONTRACTOR certifies that it is not a Nuclear Weapons Contractor, in that CONTRACTOR is not knowingly or intentionally engaged in the research, development, production or testing of nuclear warheads, nuclear weapons systems or nuclear weapons components as defined by the Nuclear-Free Humboldt County Ordinance. CONTRACTOR agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONTRACTOR subsequently becomes a Nuclear Weapons Contractor.

13. DRUG-FREE WORKPLACE CERTIFICATION:

By executing this Agreement, CONTRACTOR certifies that it will provide a drug-free workplace in accordance with the requirements of the Drug-Free Workplace Act of 1990 (California Government

Code Sections 8350, *et seq.*), by doing all of the following:

- A. Drug-Free Policy Statement. Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. Drug-Free Awareness Program. Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about:

 - 1. Receive a copy of CONTRACTOR's Drug-Free Policy Statement; and
 - 2. Agree to abide by CONTRACTOR's Drug-Free Policy as a condition of employment.
- D. Effect of Non-Compliance. Failure to comply with the requirements set forth herein may result in termination of this Agreement and/or ineligibility for award of future contracts.

14. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. CONTRACTOR shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages and liabilities of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CONTRACTOR's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. Effect of Insurance. Acceptance of the insurance required by this Agreement shall not relieve CONTRACTOR from liability under this provision. This provision shall apply to all claims for damages related to CONTRACTOR's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

15. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONTRACTOR is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONTRACTOR's indemnification obligations set forth herein, CONTRACTOR, and its subcontractors hereunder, shall take out and maintain, throughout the entire term of this Agreement, and any extensions thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONTRACTOR or its agents, officers, directors, employees, licensees, invitees, assignees or subcontractors:
1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident, including, without limitation, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).
 3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
 4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars (\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONTRACTOR may be exposed to liability regarding the services provided pursuant to the terms and conditions of this Agreement. CONTRACTOR shall require that such coverage be incorporated into its professional services agreements with any other entities.
- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Includes contractual liability.
 - b. Does not contain exclusions as to property damage caused by explosion or collapse of structures or underground damage, commonly referred to as "XCU Hazards."
 - c. Is the primary insurance with regard to COUNTY.

- d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONTRACTOR shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
 6. CONTRACTOR shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY. If CONTRACTOR does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONTRACTOR under this Agreement.
 7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONTRACTOR shall be required to purchase additional coverage to meet the above-referenced aggregate limits.
- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms and conditions of this Agreement shall be sent to the addresses set forth below in accordance with the notice requirements contained herein.

The waiver by either party of any breach of this Agreement shall not be deemed to be a waiver of any such breach in the future, or of the breach of any other requirement of this Agreement. In no event shall any payment by COUNTY constitute a waiver of any breach of this Agreement which may then exist on the part of CONTRACTOR. Nor shall such payment impair or prejudice any remedy available to COUNTY with respect to the breach or default. COUNTY shall have the right to demand repayment of, and CONTRACTOR shall promptly refund, any funds which COUNTY determines were not expended in accordance with the terms and conditions of this Agreement.

SCOPE OF SERVICES
Redwood Community Services, Inc.
For Federal Fiscal Year 2023-2024

1. **SERVICES:** CONTRACTOR's approach utilizes both informal and formal supports and community resources, and always includes a plan for step down and transition from formal services. CONTRACTOR's Wraparound program provides Wraparound services per regulations set forth in California Welfare and Institutions Code Sections 18250-18258 and Welfare and Institutions Code Section 4096.6.

A. Phases of Wraparound:

1. **Engagement and Team Preparation (1-2 weeks):** This phase includes orienting the family and youth to the wraparound program, addressing legal and ethical issues, stabilizing any immediate crises, facilitating conversations with the family and child, and engaging other team members.
2. **Initial Plan Development (30 days):** This phase involves developing an initial plan of care and a crisis/safety plan, completing necessary documentation, and addressing logistics. It is completed in one or two meetings that take place over the course of one to two weeks. Program staff focus on building trust and mutual respect between the wraparound team, the child, and their family.
3. **Implementation (Determined by the needs of the family):** This phase focuses on implementing the action steps laid out in the initial plan of care. Activities also include monitoring, evaluating, and revising the plan, including celebrating successes and addressing issues of concern. This phase concludes when the team achieves their initial goals, and the youth no longer requires formal wraparound services.
4. **Transition (2-6 months):** In this phase, the team develops a plan to facilitate a purposeful transition out of formal wraparound to a mix of formal and natural supports in the community.

B. Non-Specialty Mental Health Billable Services:

1. **Parent Partner Support:** A parent partner is assigned to each family participating in the Wraparound program. A parent partner has lived experience of having a child or family member involved in one or more systems of care. The parent partner works side by side with the parent/guardian as a means of support and promotes parent engagement in the Wraparound Child and Family Team meetings and helps parent/guardian to find their voice in advocacy for their youth and their own needs. Parent Partners are also skilled in parenting resources and skill development and can help with education and tackling difficult behaviors of children/youth.
2. **Community Activity Engagement:** Youth and families are supported in identifying community activities that encourage pro-social behaviors as part of the strategies created in the Plan of Care, barriers to participation are addressed, and strategies to make activities sustainable for families are implemented. The effectiveness of community and prosocial activities are assessed at minimum monthly and adjusted as needed.

3. **On-Call Response:** On-call support and response is available twenty-four (24) hours per day, seven (7) days per week, three hundred sixty five (365) days a year. Families and youth call a central call number and are immediately connected with CONTRACTOR'S staff member who has access to their Wraparound Plan of Care and Safety Plan and can help the family or youth to navigate an immediate crisis by utilizing their identified tools and supports. If an in-person response is required, the on-call staff member notifies the on-call supervisor of the need and ensures safety of the situation prior to physically responding. The staff will use crisis de-escalation skills to respond to the incident and help the family safety plan. Once a situation is de-escalated the appropriate governmental agency is notified of the crisis and steps to mitigate the current dangers and safety plan for the future.
4. **Transportation:** Transportation is available to youth and their families for any formal or informal appointments. Transportation services include rides given by an identified member of the Wraparound team or CONTRACTOR'S administrative support staff. Families may also be given monthly bus passes and/or gas vouchers; all transportation supports are discussed and decided, if necessary, through the team decision making process.
5. **Family Budgeting:** Wraparound recognizes that a leading stressor for families is financial need. The parent partner or other members of the Wraparound team meet with the family to create a Family Budget for all family expenses. The team works with the family to maximize incoming funds to create a budget that meets the family's financial need.
6. **Family Coordination and Planning:** Wraparound provides a whole systems approach to families. If a family member that is not the identified child has needs that impact the functioning of the family system, the Parent Partner and Care Coordinator provide response to mitigate the needs, using the families natural and concrete supports. These needs are identified as part of the family plan. These services may be provided through additional service providers but will be identified and monitored by the Wraparound team using the process.
7. **Non-Formal School Based Supports:** Wraparound staff may provide support in the form of tutoring, education supports and linkage to services that are not related to Mental Health but are related to successful family functioning.

2. SCHEDULE:

CONTRACTOR provides a maximum Wraparound caseload of ten (10) children/youth at any given time.
