NOTE: The purpose of the CEQA Determination Form is to document the Department's decision that a project is exempt from further CEQA review. Forms are maintained in the Department's internal files. Filing a Notice of Exemption with the county clerk is optional and not required (CEQA Guidelines 15062). The only effect of filing a Notice of Exemption is to shorten the statute of limitations period on legal challenges regarding the decision that the project is exempt from further CEQA review, from 180 days to 35 days. For typical projects, Public Works does not file a Notice of Exemption.
