General Plan Update

Dear Chairman Lovelace and Members of the Board:

We failed to make a very important point in our letter sent to you earlier this morning. Please accept our apology.

The General Plan update process which has been followed over the past eleven (11) years, was the brainchild of Bonnie Neely. She was voted out of office because she was out of step with her constituents.

Thankfully, this is a new era, and you each are in a position to take a different path – one which will truly represent the people, for the benefit of future generations of Humboldt citizens.

It is no easy challenge ahead. We wish you every success, and are ready to assist you in any way you feel would be productive.

Sincerely,

Kay Backer
