Dear Mark,

I listened to yesterday's interview with KINS with horror, but at the same time, amusement. Mark, at the proper time, we will make sure that the public knows that you are being charitably disingenuously, or perhaps more accurately, outright dishonest regarding your position of regarding the Marina Center. Don't worry, the truth will out. Clearly, you are all in in your opposition to the Marina Center.

I am also laughing at how you speak to your record of creating jobs and how we ought to form an economy of producing, not consuming. These are pretty easy concepts that you clearly don't understand.

I understand that Pete Nichols and you sit or sat on the board of the North Coast Environmental Center. I am to be receiving information that indicates that your NEC property is leaking VERY toxic substances that will inevitably damage public health and the environment. If that is the case, I will make sure that a suit is brought to clean-up this most toxic situation. I certainly hope that is not the case. I would think that you would also be very concerned and would have taken more demonstrable steps to correct this as a board member, an elected representative of that district and as a citizen of Humboldt County.

Concluding, perhaps you should stick to issues in your district, and not those in the City of Eureka, which has its own elected councilmembers. Further, your contempt for the will of the voting people of Eureka, which screamed loud and clear, with 70% of the vote, that they want the Marina Center, as proposed, is astonishing.

I understand that your little buddy, Clif, Mr. 38%, is having a fundraiser. Money will not do the trick there. It is what and who he does and who he stands with...not what he says, that counts. You are dangerous and deceitful company.

vty,

Rob
