GOVERNMENT CODE - GOV

68085. (a) (1) There is hereby established the Trial Court Trust Fund, the proceeds of which shall be apportioned for the purposes authorized in this section, including apportionment to the trial courts to fund trial court operations, as defined in Section 77003.

(2) The apportionment payments shall be made by the Controller. The final payment from the Trial Court Trust Fund for each fiscal year shall be made on or before August 31 of the subsequent fiscal year.

(A) Notwithstanding any other provision of law, in order to promote statewide efficiency, the Judicial Council may authorize the direct payment or reimbursement or both of actual costs from the Trial Court Trust Fund or the State Trial Court Improvement and Modernization Fund to fund the costs of operating one or more trial courts upon the authorization of the participating courts. These paid or reimbursed costs may be for services provided to the court or courts by the Administrative Office of the Courts or payment for services or property of any kind contracted for by the court or courts or on behalf of the courts by the Administrative Office of the Courts. The amount of appropriations from the State Trial Court Improvement and Modernization Fund under this subdivision may not exceed 20 percent of the amount deposited in the State Trial Court Improvement and Modernization Fund pursuant to subdivision (a) of Section 77205. The direct payment or reimbursement of costs from the Trial Court Trust Fund may be supported by the reduction of a participating court's allocation from the Trial Court Trust Fund to the extent that the court's expenditures for the program are reduced and the court is supported by the expenditure. The Judicial Council shall provide the affected trial courts with quarterly reports on expenditures from the Trial Court Trust Fund incurred as authorized by this subdivision. The Judicial Council shall establish procedures to provide for the administration of this paragraph in a way that promotes the effective, efficient, reliable, and accountable operation of the trial courts.
