Hi Patrick,

Here is a quick recap of our phone conversation today. I have three of your cannabis applications that are assigned to me. Two are very incomplete and have some credits on the accounts (application 13184; APN 524-061-008, & application 13201; APN 522-175-004), and one of them is almost complete but needs a Well Assessment Report to move forward to a hearing for approval (application 13193; APN 524-016-005). I recommend withdrawing the applications 13184 & 13201, since they have not gone into referrals and are nowhere near complete. Please submit your request for withdrawal asap, as I have sent the deficiency letters giving you 30-days to respond or the applications will be denied.

Let me know if you have any further questions.

Thank you!
