WHEREAS, the project requires a Zone Reclassification, General Plan Amendment, and Conditional Use Permit. In order to approve the Zone Reclassification and General Plan Amendment the following findings must be made:

A. Amendment to the Zoning Map (Zone Reclassification)

Section 312-50.3 of the Zoning Ordinance requires all the following findings for approval of changes to the Zoning Map:

1. The amendment is in the public interest; and
2. The amendment is consistent with the County General Plan; and
3. B. General Plan Amendment

be in the public interest.

 - b) consistent with the Guiding Principles in Section 1.4; and
 - c) consistent with the applicable goals of the Plan.

WHEREAS, Attachment 2 of this resolution includes a draft Board of Supervisors Resolution containing findings and evidence in support of approving the Zone Reclassification and General Plan Amendment request; and

WHEREAS, the Planning Commission has reviewed and considered said reports and other written evidence and testimony presented to the Commission, and

WHEREAS, the Planning Commission held a public hearing on this matter to receive other evidence and testimony;

DECISION

NOW, THEREFORE, based on the above findings and evidence, be it resolved, determined, and ordered by the Humboldt County Planning Commission that the following findings are hereby made:
