Board of Trustees
Fortuna Cemetery District
PO Box 702
Fortuna CA 95540-0702

Fellow Trustees:

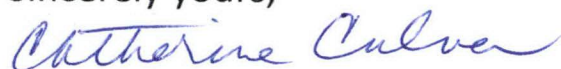

My second term as trustee of the Fortuna Cemetery District (District) ended on January 27, 2023. This letter confirms my intention to conclude my service to the District.

In the eight years of my volunteer service, I have helped direct improvements to the District's operations. With you, I oversaw the hiring of a mowing service for the six cemeteries other than Sunrise. We also installed a concrete gutter to prolong the life of the asphalt at the east end of the center section of Sunrise Cemetery. A slurry coat was installed over the asphalt at Sunrise to aid in that endeavor. The office was reroofed. The new niche wall installed at the west end of Sunrise Cemetery is well sited and will provide an option for cremains disposition for the future. None of this would have been possible without sound financial footing and careful oversight of District operations.

The District is fortunate to have the dedicated staff of Groundskeeper Tony Eusted, Office Manager Kathryn DeVere, and Assistant Groundskeeper Jon Klinger. The importance of their interest in keeping the District strong and functioning smoothly cannot be overstated. I appreciate working with all of them.

I wish the Fortuna Cemetery District continued success.

Sincerely yours,

Catherine Culver
