To Whom It May Concern:

The City of Eureka is in full support of an Infill Infrastructure Grant (IIG) Program application by Brinshore Development, LLC and Operative Office to assist the construction of the 25-1 Project located at 708 Burill Street in Eureka, California. Burill Street will be a 100% affordable apartment project serving Families on an approximately one acre site and will consist of 43 flats consisting of 20 one-bedrooms, 11 two-bedrooms, and 12 three-bedrooms spread over two levels and across two buildings.

The 25-1 Project will be an integral component of the City of Eureka's affordable housing stock.
