Humboldt County Board of Supervisors

Eureka, CA 95501

Dear Board of Supervisors,

I would like to nominate Katrina Henderson as the alternate for the Humboldt County Resource Conservation District (HCRCD) on the Humboldt County Fire Safe Council. HCRCD recently welcomed Katrina as a Project Coordinator for the Forest Health and Wildfire Resilience Program. Katrina would replace outgoing member Julia Sullivan, who previously served as HCRCD's alternate.

Katrina previously worked for California State Parks for 7 years in natural resource management. Some of her duties included supervising work crews, prescribed fire, oak woodland restoration, forest thinning, invasive species management, and volunteer coordination. Katrina worked in Humboldt, Mendocino and Del Norte Counties and partnered with many organizations within those regions. For the HCRCD, Katrina is managing forest health and wildfire resilience projects throughout Humboldt County including projects relating to the Humboldt County Community Wildfire Protection Plan. She also provides technical assistance and project planning to private and public landowners to meet local and regional forest management goals. Katrina's contact information is as follows:
