Proposers should contact the COUNTY point of contact identified in Paragraph 8.1 above to request to be added to the mailing list. Inclusion on the mailing list is the only way to ensure direct notification of any addenda and/or information that may be issued prior to the proposal submission date. 9.0 EVALUATION CRITERIA AND SELECTION PROCESS:

After the Proposals are received and opened in accordance with the requirements set forth herein, the County will review and evaluate all Proposals for responsiveness to this RFP, in order to determine whether the Proposer possesses the qualifications and experience necessary to provide Services equivalent to those set forth in this RFP. In evaluating the Proposals, the County shall employ a one hundred (100) point competitive evaluation system with consideration given to each of the following categories:

- **Service Requirements – 30 Points:** The Proposer's ability to provide Services equivalent to those set forth in this RFP in accordance with the requirements contained herein and the sample Organizational Provider Agreement attached hereto.
- **Organizational Experience and Capacity – 30 Points:** The Proposer's experience in providing Services equivalent to those set forth in this RFP.
- **Commencement of Services – 10 Points:** The Proposer's ability to start providing Services equivalent to those set forth in this RFP by October 1, 2022.
- **Overall Cost of Services – 10 Points:** The Proposer's ability to provide Services equivalent to those set forth in this RFP in a cost-efficient manner.
- **Other Criteria – 20 Points:** The overall impression of the Proposer's ability to provide Services equivalent to those set forth in this RFP.

All Proposals will be evaluated by an impartial RFP Evaluation Committee comprised of County Staff members. The RFP Evaluation Committee may directly request clarification of Proposals from, and/or interviews with, one (1) or more Proposers. The purpose of any such requests for clarifications or interviews shall be to ensure the RFP Evaluation Committee's full understanding of the Proposer's ability to perform Services equivalent to those set forth in this RFP. If clarifications are made as a result of such discussions, the Proposer shall put such clarifications in writing, as appropriate. Any delay caused by a Proposer's failure to respond to such a request for clarification or interview may result in the rejection of the Proposal.

The evaluation and selection process set forth in this RFP is designed to award a final Organizational Provider Agreement to the Proposer with the best combination of attributes based upon the above-referenced evaluation criteria. Accordingly, Proposals will be evaluated against the evaluation criteria set forth in this RFP and not against other Proposals. The award of a final Organizational Provider Agreement, if made by the County, will be based upon a total evaluation of each Proposal and the projected costs associated therewith.

All contacts made with the County during the evaluation and selection process shall be through DHHS – BH and CWS (see Section 8.1 for contact information). Attempts by the Proposer to contact any other County representative during the evaluation and selection process may result in rejection of the Proposal. Conflict resolution shall be handled by County staff upon receiving a written complaint from the Proposer about this RFP process.

The highest-ranking Proposer shall participate in the contract negotiation process in accordance with direction from the County. Any delay caused by the Proposer’s failure to participate in good faith contract negotiations may lead to rejection of the Proposal.

10.2 Scoping Meetings:

The highest-ranking Proposer may be asked to attend a scoping meeting to ensure that the Proposer has a full understanding of the terms, conditions and requirements that will be included in the final Organizational Provider Agreement. The Scoping meeting will also provide the highest-ranking Proposer with an opportunity to ask questions regarding the Services that it will be expected to provide pursuant to the terms and conditions of the final Organizational Provider Agreement.

10.3 Award of Final Organizational Provider Agreement:

If the County determines, after completion of the contract negotiation process, to award a contract for the provision of Services equivalent to those set forth in this RFP, the final Organizational Provider Agreement shall be sent to the Successful Proposer for signature. Once a signed copy has been returned to the County, the final Organizational Provider Agreement will be submitted to the Humboldt County Board of Supervisors for review and approval. The County hereby reserves the right to award a Organizational Provider Agreement to the Proposer which, in the sole judgment of the County, meets the County’s objective of providing High Fidelity Wraparound services. - A. **Ownership.** By executing this Agreement, PROVIDER, for itself, and its assignees and successors in interest, agrees as follows:
 - 1. Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all “Intellectual Property,” from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement.
 - a. For purposes of this Agreement, “Intellectual Property” means any and all recognized and protectable rights and interests, including, without limitation, patents, whether issued or not, copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author’s rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, design flows, methodologies, devices, business processes, developments, innovations, know how, good will and all other legal

It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. The term “works” does not include articles submitted to peer review, reference journals or independent research projects.
 2. In the performance of this Agreement, PROVIDER will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, PROVIDER may access and utilize certain of DHCS’ Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, PROVIDER shall not use any of DHCS’ Intellectual Property now existing or hereafter existing for any purpose without DHCS’ prior written permission.  3. PROVIDER agrees to cooperate with DHCS in establishing or maintaining DHCS’ exclusive rights in the Intellectual Property, and in assuring DHCS’ sole rights against third-parties with respect to the Intellectual Property. If PROVIDER enters into any agreements or subcontracts with other parties in order to perform its duties and obligations hereunder, PROVIDER shall require the terms of such agreements or subcontracts to include all of the Intellectual Property provisions forth herein. Such terms must include, without limitation, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from or reduced to practice by the subcontractor, PROVIDER or DHCS as a direct or indirect result of this Agreement or any subcontract related hereto.
 4. PROVIDER further agrees to assist and cooperate with DHCS in all reasonable respects, execute all documents, give testimony, subject to reasonable availability, and take all further acts reasonably necessary to acquire, transfer, maintain and enforce DHCS’ Intellectual Property rights and interests.
- B. Retained Rights and License Rights.** By executing this Agreement, PROVIDER, for itself, and its assignees and successors in interest, agrees as follows:
1. Except for Intellectual Property made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement, PROVIDER shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. PROVIDER hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to

sell, import, export, modify, publicly and privately display or perform, distribute and dispose PROVIDER's Intellectual Property resulting from this Agreement, unless PROVIDER assigns all rights, title and interest in the Intellectual Property as set forth herein.

2. Nothing in this provision shall restrict, limit or otherwise prevent PROVIDER from using any ideas, concepts, know-how, methodology or techniques related to the performance of its duties and obligations hereunder, provided that PROVIDER's use does not infringe the patent, copyright, trademark, license or other Intellectual Property rights of DHCS or any third-party, or result in a breach of this Agreement or violation of any local, state or federal laws, regulations or standards relating to confidentiality.

C. **Copyright.** By executing this Agreement, PROVIDER, for itself, and its assignees and successors in interest, agrees as follows:

1. PROVIDER agrees that for purposes of copyright law, all works, as defined herein, of authorship made by or on behalf of PROVIDER in connection with the performance of its duties and obligations hereunder shall be deemed "works made for hire." PROVIDER further agrees that the work of each person utilized by PROVIDER in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of PROVIDER or has entered into an agreement with PROVIDER to perform the work. PROVIDER shall enter into a written agreement with any such person which provides that: all work performed for PROVIDER shall be deemed a "work made for hire" under the Copyright Act; and such person shall assign all right, title and interest to DHCS to any work product made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement.
2. Any and all materials, including, without limitation, visual works or text, reproduced or distributed pursuant to the terms and conditions of this Agreement that include Intellectual Property made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement, shall include DHCS' notice of copyright, which shall read in three (3) millimeter or larger typeface: "© [*Enter Current Year e.g., 2010, etc.*], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

D. **Patent Rights.** With respect to inventions made by PROVIDER in the performance of its duties and obligations hereunder, which did not result from research and development specifically included in Exhibit A – Scope of Services, PROVIDER hereby grants to DHCS a license for any and all devices or materials incorporating, or made through the use of, such inventions. If such inventions result from research and development work specifically included within Exhibit A – Scope of Services, PROVIDER agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

E. **Third-Party Intellectual Property.** Except as provided herein, PROVIDER agrees that the performance of its duties and obligations hereunder shall not be dependent upon or include any Intellectual Property of PROVIDER or third-party without first: obtaining DHCS' prior written approval; and granting to or obtaining for DHCS, without additional compensation, a license, as described herein, for any of PROVIDER's or third-party's Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon these terms is unattainable, and

DHCS determines that Intellectual Property should be included in or is required for PROVIDER's performance of this Agreement, PROVIDER shall obtain a license under terms acceptable to DHCS.

F. **Warranties.** By executing this Agreement, PROVIDER, for itself, and its assignees and successors in interest, represents, warrants and agrees as follows:

1. It is free to enter into and fully perform this Agreement.
2. It has secured, and will secure, any and all rights and licenses necessary for the performance of its duties and obligations hereunder.
3. Neither PROVIDER's performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display or performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement, will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by PROVIDER.
4. Neither PROVIDER's performance of its duties and obligations hereunder, nor any part thereof, will violate the privacy rights of, or constitute a libel or slander against, any person or entity.
5. It has secured, and will secure, any and all rights and licenses necessary for the use of Intellectual Property, including, without limitation, consents, waivers or releases from all authors of music or performances, talent, including radio, television and motion picture talent, and owners of any interest in sites, property or props that may be used or shown.
6. It has not granted, and shall not grant to, any person or entity any right that might derogate, encumber or interfere with any of the rights granted to DHCS hereunder.
7. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature that could affect in any way PROVIDER's performance of its duties and obligations hereunder.
9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement will not infringe upon any existing or subsequent patent, trademark or copyright.

G. **Intellectual Property Indemnity.** By executing this Agreement, PROVIDER, for itself, and its assignees and successors in interest, agrees as follows:

1. PROVIDER shall indemnify, defend and hold harmless DHCS, and its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, whether

or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, without limitation, all legal expenses, court costs and attorney's fees incurred in investigating, preparing, serving as a witness in or defending against, any such claim, action or proceeding, whether commenced or threatened, to which any of the Indemnitees may be subject, regardless of whether or not PROVIDER is a party to any pending or threatened litigation, which arise out of or are related to: the incorrectness or breach of any of the representations, warranties, covenants or agreements of PROVIDER pertaining to Intellectual Property; or any Intellectual Property infringement, or other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance or display, license and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by PROVIDER or DHCS as a direct or indirect result of this Agreement. PROVIDER's indemnity obligations hereunder shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in, at PROVIDER's expense, any such infringement action brought against DHCS.

2. Should any Intellectual Property licensed by PROVIDER to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, PROVIDER shall exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with the terms and conditions of this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at PROVIDER's expense, in any such claim or action. In the defense or settlement of the claim, PROVIDER may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other available rights and remedies.
3. PROVIDER agrees that damages alone would be inadequate to compensate DHCS for PROVIDER's breach of the Intellectual Property provisions set forth herein. PROVIDER acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

- H. It is further understood that PROVIDER shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer’s liability.
 4. For claims related to this Agreement, PROVIDER’s insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to PROVIDER’s insurance and will not be used to contribute therewith.
 5. Any failure to comply with the terms and conditions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
 6. PROVIDER shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. - B. **Effect of Insurance.** Acceptance of the insurance required by this Agreement shall not relieve PROVIDER from liability under this provision. This provision shall apply to all claims for damages related to PROVIDER's performance hereunder, regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.
