Conditional Approval

Comments:

DEH recommends approval with the following conditions:

1. **No processing can be approved** until an acceptable site suitability report can establish potential for onsite waste treatment system (OWTS) adequate to support proposed staffing.
2. The approval of an unpermitted OWTS described in the provided Cultivation and Operations Plan is **dependent upon demonstration of site suitability** from a Qualified Professional.
3. **An invoice, or equivalent documentation, is provided to DEH** to confirm the continual use of portable toilets to serve the needs of cultivation staff prior to reissuance of annual permit.

\*Please provide a copy of the written Approved Compliance Agreement to DEH per HCC §313-55.4.11

\*This review and recommendation is for the Land Use aspects of the planning project and does not include or imply compliance with all DEH programs. Although DEH recommends the approval of the Planning project, Solid Waste and HazMat Program requirements need to be addressed directly with staff from those programs.
