

CONDITIONS OF APPROVAL

Approval of the Coastal Development Permit and Special Permit is conditioned upon the following terms and requirements:

1. The project shall be developed in accordance with the Site Plan dated March 15, 2024.
2. The landowner shall have recorded, a deed restriction in conformance with Humboldt County Code Section 313-69.05.3.4 “The ADU or main residence shall not be rented for periods of thirty (30) days or less.”
3. The California Department of Fish & Wildlife (CDFW) strongly recommends that vegetation removal associated with development occur outside the bird nesting season (generally March 15 – August 15) and be maintained as such until project start. Alternatively, although discouraged due to the potential for project delays and associated costs, a qualified biologist shall survey for active bird nests no more than seven days prior to the start of any project-related activities with the potential to impact nesting birds. If an active nest is found, the permittee shall consult with CDFW regarding appropriate site-specific avoidance measures and buffer distances. If there is a lapse in project-related activities of seven days or more, the biologist should re-survey the area before work resumes.
4. The County road is not constructed to allow on-street parking. All parking must be developed on-site, or applicant must construct a parking lane along the County road in a manner approved by this Department. All parking required by Code must be constructed prior to occupancy of building or “final” issued for building permit. [reference: County Code §313-109.1 et seq.]
5. Pursuant to County Code §411-11(j) and California Streets & Highways Code §1481 & §1482, fences are not allowed within the public right of way of County maintained roads. All fencing shall be constructed outside the County right of way. Gates must be set back sufficiently from the road so that a vehicle can completely pull off the road while opening or closing the gate. Prior to constructing any fences along (or near) the road right of way line, the applicant is advised to consult with the Department of Public Works Encroachment Permit Office at 707.445.7205.
6. The project is located within the McKinleyville Drainage area, development of the parcel will require the payment of drainage fees pursuant to Humboldt County Code §328.1-13, at time of application for the building permit.
7. Low Impact Development (LID): The subject property is located within the municipal separate storm sewer system (MS4) boundary area. Development of the property will be required to comply with the MS4 permit requirements. The Applicant is advised

to ensure that MS4 requirements for the proposed project can be achieved prior to development. [Reference: National Pollutant Discharge Elimination System (NPDES) General Permit for Waste Discharge Requirements (WDRS) for Storm Water Discharges from Small Municipal Separate Storm Sewer Systems (MS4S), Order No. 2013-0001-DWQ, NPDES No. CAS000004 adopted 02/05/2013, MS4 permit section E.12.b; Humboldt Low Impact Development Stormwater Manual v3.0 (08/18/2021) Part A (Table 1), Part 2, and Part 3 (Section 1.4)]

8. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the decision. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.

On-Going Requirements that must be satisfied for the life of the project.

1. The project shall be developed, operated, and maintained as described in the Project Description, site plan, and as conditioned herein. Changes to the project other than Minor Deviations from the Plot Plan as provided in Humboldt County Code Sec. 312-11.1 shall require a modification of this permit.
2. The applicant shall be responsible for correcting any involved drainage problems within the County road right of way to the satisfaction of the Department of Public Works Land Use Division.
3. Site visibility must be maintained at the driveway entrance [reference: County Code section 341-1 et seq.].
4. All new and existing outdoor lighting shall be compatible with the existing setting and directed within the property boundaries. All outdoor lighting for the second unit shall be subordinate to the primary unit's outdoor lighting.
5. The proposed project shall adhere to all of the applicable provisions set forth in Section 313-69.05.3 of Humboldt County Code.

Informational Notes:

1. The applicant is responsible for receiving all necessary permits and/or approvals from other State and local agencies.

2. This permit shall expire and become null and void at the expiration of two (2) years after all appeal periods have lapsed (see “Effective Date”); except where construction under a valid building permit or use in reliance on the permit has commenced prior to such anniversary date. The period within which construction or use must be commenced may be extended as provided by Section 312-11.3 of the Humboldt County Code.
3. The applicant is required to pay for permit processing on a time and material basis as set forth in the schedule of fees and charges as adopted by ordinance of the Humboldt County Board of Supervisors. The Department will provide a bill to the applicant after the decision. Any and all outstanding Planning fees to cover the processing of the application to decision by the Hearing Officer shall be paid to the Humboldt County Planning Division, 3015 "H" Street, Eureka.
4. As a reminder, before any digging or excavation occurs, please contact Underground Service Alert (USA) by dialing 811 a minimum of two working days prior to commencing any work. This free and independent service will ensure that all existing underground utilities are identified and marked on-site.
5. If cultural resources are encountered during construction activities, the contractor on site shall cease all work in the immediate area and within a 50-foot buffer of the discovery location. A qualified archaeologist as well as the appropriate Tribal Historic Preservation Officer(s) are to be contacted to evaluate the discovery and, in consultation with the applicant and lead agency, develop a treatment plan in any instance where significant impacts cannot be avoided.

The Native American Heritage Commission (NAHC) can provide information regarding the appropriate Tribal point(s) of contact for a specific area; the NAHC can be reached at 916-653-4082. Prehistoric materials may include obsidian or chert flakes, tools, locally darkened midden soils, ground stone artifacts, shellfish or faunal remains, and human burials. If human remains are found, California Health and Safety Code 7050.5 requires that the County Coroner be contacted immediately at 707-445-7242. If the Coroner determines the remains to be Native American, the NAHC will then be contacted by the Coroner to determine appropriate treatment of the remains pursuant to PRC 5097.98. Violators shall be prosecuted in accordance with PRC Section 5097.99

The applicant is ultimately responsible for ensuring compliance with this condition.
