DISCUSSION

Amend the State Permanent Local Housing Allocation application funding in the amount of \$187,522 approved program activity 301(a)(2) construction of Accessory Dwelling Units(ADU's) to activity 301(a)(6) Assisting persons who are experiencing or at risk of homelessness, including but not limited to, providing rapid re-housing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transition housing.

Through this change the City of Eureka will be assisting our most vulnerable population with the first year of the PLHA funding allocation. By approving this amendment, the City Council will provide CAPE and UPLIFT programs with secure funding opportunities now to assist those in need. This will benefit finance and economic development staff by providing more adequate time to establish a successful ADU program.
