Dear Humboldt County Board of Supervisors:

I am currently serving as an appointed board member to the Great Redwood Trail Authority and have served two years on the board so far.

I would like to continue to serve Humboldt County, representing its constituents, on this board. The issues we've addressed on the board have been varied and required continuing to advocate for solutions to issues associated with eminent domain, changes in both the political and physical landscape, and assisting in creating the Great Redwood Train Master Plan. Most of my time on the board was spent developing this Master Plan and I believe the board has been thorough and meticulous in its creation. As a Labor representative, I advocated for good jobs associated with this plan to make a difference in the various communities the trail will traverse. I would like to serve in 2024-2025 to carry on the important work being done by this board.

As you will see from the enclosed resume, my education and work experience are in Labor Representation and Construction, as well as consulting for solar and wind energy.

Sincerely,

Jeff Hunerlach

Enclosure

JEFFREY HUNERLACH

This resume covers my experience in both the construction field and as a Labor representative.
