DISCUSSION

On March 19, 2024, Councilmember Bauer requested further information on the County of Humboldt's nitrous oxide resolution, which the County adopted on January 9, 2024 (County of Humboldt Resolution 24-4).

The County's Resolution identified the illicit sale, distribution, and use of nitrous oxide as an important local issue and advised the Humboldt County Department of Health & Human Services to address the illicit sale, distribution, and use of nitrous oxide through education and policy approaches.

The proposed resolution by the Eureka City Council identifies nitrous oxide as an important local issue and joins the County's efforts to address the illicit sale, distribution, and use.
