Comments:
Prior to renewal of permit the operator is required to submit to DEH a written assessment from a qualified septic consultant confirming a Tier 0 status for the existing onsite waste treatment system(s) serving the dwelling(s).

*This review and recommendation is for the Land Use aspects of the planning project and does not include or imply compliance with all DEH programs. Although DEH recommends the approval of the Planning project, Solid Waste and HazMat Program requirements need to be addressed directly with staff from those programs.
