PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by and between the CITY OF ARCATA, hereinafter referred to as the City, and the ARCATA POLICE ASSOCIATION, hereinafter referred to as the Association, has as its purpose the promotion of harmonious labor relations between the City and the Association, establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1 GENERAL

SECTION 1.1 RECOGNITION

The City hereby recognizes the Arcata Police Association bargaining unit consisting of the classes of Police Sergeant, Police Officer, Dispatch Supervisor, Senior Dispatcher, Dispatcher, Evidence Technician I/II, Lead Parking Officer, Police Service Officer, and Police Services Assistant, as the exclusive bargaining agent for those employees represented by the Association and agrees to meet and confer and otherwise deal exclusively with the Association on all matters related to the scope of representation pertaining to said employees as authorized by law. (Updated 2019-2021)

SECTION 1.2 SOLE AGREEMENT

- 1.2.1 This Agreement signed by the parties hereto, and approved by the City Council, supersedes all other Agreements between the parties on the items contained herein.
- 1.2.2 Neither party shall be obligated to meet and confer during the term of this Agreement on any matter contained within this Agreement. However, if during this term the parties hereto should mutually agree to modify, amend, or alter the provisions of the Agreement in any respect, any such change shall be effective only if and when reduced to writing and executed by the City Manager for the City and the Association. Any such changes validly made shall become a part of this Agreement and subject to its terms.
- 1.2.3 The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all terms and conditions herein.

SECTION 1.3 TERM

- 1.3.1 This Agreement shall become effective upon adoption by the Arcata City Council and shall remain in full force and effect until 11:59 p.m. on June 30, 2027.
- 1.3.2 If the parties fail to negotiate a new Agreement by the expiration date of the Agreement, the Agreement shall remain in effect unless the parties mutually agree in writing to terminate the Agreement.

SECTION 1.4 SAVINGS CLAUSE

- 1.4.1 If any provision of this Agreement or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by the reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

SECTION 1.5 STRIKE AND LOCKOUTS

- 1.5.1 For the duration of this Agreement, the Association and its represented employees agree that it shall not call, sanction, or engage in any strike, slowdown, suspension, or stoppage of work activity, or any other activity detrimental to the City, and the City agrees that it shall not cause or engage in any lockout.

SECTION 1.6 NON-DISCRIMINATION & EQUAL EMPLOYMENT OPPORTUNITY

- 1.6.1 The City and the Association agree not to discriminate against any employee for race, religion, color, religious creed, sex (includes gender, pregnancy, childbirth, and medical conditions related to pregnancy or childbirth, breastfeeding or medical conditions related to breastfeeding), sexual orientation, gender, gender identity and gender expression, age (with respect to persons over the age of 40), ancestry, national origin, physical disability, mental disability, medical condition, marital status, military and veteran status, or genetic information. The City and Association agree that no employee shall be discriminated against on the basis of membership or non-membership in the Association, or any lawful Association activity. This provision shall also apply to all aspects of employment including hiring, promotion, transfer, demotion, layoff, termination, rates of pay and other forms of compensation, training, hours of work or other terms and privileges of employment. The City and Association agree to adhere to City policies pertaining to equal employment opportunity and anti-discrimination/harassment.

SECTION 1.7 AMERICANS WITH DISABILITIES ACT ACCOMMODATIONS

- 1.7.1 The Association recognizes that under the Americans with Disabilities Act (ADA) the City has the legal obligation to provide reasonable accommodation to City employees with a disability. This shall include the City meeting with the individual employee to be accommodated in order to determine what accommodation in wages, hours, or other terms and conditions of employment are necessary, if any. The Association recognizes such accommodations must be determined on an individual, case-by-case basis, and provisions of the MOU may be modified by the City when necessary for the City to meet its obligations under ADA. In those instances, the City will provide the Association with written notice of any proposed modification or accommodation as it applies to provisions of the MOU it determines necessary in order to comply with the ADA and provide the Association the opportunity to meet and discuss the matter. Any accommodation provided to an individual employee protected by the ADA shall not establish a past practice, nor shall it be cited to use as evidence of a past practice in the grievance procedure. Nothing, however, in this provision shall preclude the Association from utilizing the established grievance procedure, or any other means available by law, to dispute the interpretation, application or enforcement of this provision. (Added 2019-2021)

SECTION 1.8 CLASSIFICATIONS ALLOCATED LESS THAN FULL-TIME

- 1.8.1 Represented classifications allocated by Council less than full-time (i.e., .75 FTE, .80 FTE), shall receive applicable salaries, benefits, pays, etc. as a pro rata share proportionate to a full-time equivalent. (Added 2011-2013)
- 1.8.2 Represented classifications allocated less than full-time shall only be eligible for those salaries, benefits, pay, etc., that do not specifically restrict eligibility to full-time employees, and for which establishing or changing eligibility requirements are outside the City's control. (Added 2011-2013)
- 1.8.3 Pursuant to FLSA and City policy, overtime is calculated as hours worked over a forty (40) hour work period. (Added 2011-2013)

SECTION 1.9 CLASSIFICATION AND SALARY STUDY

- 1.9.1 The City agrees to conduct a classification study on the position of Evidence/Property Technician I/II to determine if it is correctly classified for the incumbent's essential job functions, and if the salary range is commiserate with the duties of the position. City Human Resources will complete the classification study within four months of the position description questionnaire and supervisor position description being returned to HR and the adoption of the successor MOU by the City Council. City Human Resources will discuss the results of the study with the Arcata Police Association once completed. Any changes to the classification must be approved by the City Manager. Any changes to salary must be approved by the City Council. (added 2024-2027)

- 5.1.1 Grievances arising outside the scope of this Agreement and disciplinary appeals shall be processed pursuant to the City of Arcata Personnel Rules.
- 5.1.2 Notwithstanding and in addition to those rules, the parties agree that a mediation step may be exercised by the employee between the City Manager and Personnel Board step.
 - (a) Within seven (7) calendar days of the City Manager's decision (including completed Skelly hearing, if applicable), and prior to the commencement of an appeal to the Personnel Board, an employee may request to have the service of a mediator engaged. That person shall be acceptable to the employee and the City. Within thirty (30) days of receipt of such request, such person shall begin to conduct the mediation to facilitate an agreement between the two (2) parties. If no such agreement can be reached within sixty (60) days from the beginning of mediation, the mediator will so inform both parties. Any cost associated with these proceedings shall be borne equally by the City and the Association. (Amended 2019-2021)

SECTION 5.2 INTERNAL INVESTIGATIONS PROCEDURES FOR NON-SWORN

- 5.2.1 The City and the Association agree that this section, all-inclusive, will expire at the close of this MOU term at midnight on 06/30/2024, and that any subsequent inclusion in the MOU will be subject to negotiation.
- 5.2.2 The following procedures shall apply to all non-probationary, non-sworn represented employees of the Arcata Police Department regarding any internal investigation conducted by the Police Department. These procedures do not replace or take precedence over any City of Arcata Personnel Rules and Regulations or Department policy and are limited to internal investigations.
- 5.2.3 For any non-probationary represented non-sworn employee who is the subject of an investigation that may lead to adverse action, the following shall apply. For the purposes of this Section, adverse action means any action that may lead to dismissal, demotion, suspension, reduction in salary, or transfer for purposes of discipline.
 - (a) The interview shall be conducted at a reasonable hour, preferably at a time when the subject employee is on duty, unless the seriousness of the investigation requires otherwise. If the interview occurs during the employee's off-duty time the employee shall be compensated for off-duty time pursuant to [Section 7.3.4](#) of this agreement.
 - (b) The subject employee of the investigation shall be advised in writing of the nature of the allegations involved in the investigation at least seventy-two (72) hours prior to any

interview. The 72-hour minimum notification period can be waived at the discretion of the Chief of Police should there be an exigency that requires an interview within the first 72 hours of notification. The written notification shall also inform the subject employee of who will be conducting the questioning and who, if anyone, will be assisting the lead investigator. At no time shall more than two (2) investigators be present at the time of questioning.

- (c) No promise of leniency or threat of punishment may be made to the subject of the investigation as an inducement to answering questions. The subject of the investigation may be advised that a failure to answer questions can lead to disciplinary action.
- (d) The subject interview may be recorded by either or both parties. If the employee has been previously questioned a recording of that questioning shall be provided to the employee prior to additional questioning. Upon conclusion and based on the findings of the investigation, should the City intend to take adverse disciplinary action towards the subject employee, the City shall provide a copy of all materials on which the proposed discipline is based with the written Notice of Intent to Discipline.
- (e) If prior to or during the questioning of the employee it is deemed that the employee may be charged with a criminal offense the employee shall be immediately informed of their constitutional rights (Lybarger admonishment).
- (f) The subject employee has the right to have a representative of the employee's choosing present during any questioning or any other part of the investigative process up to and including any statement of findings in that investigation. The subject interview or any other part of the investigative process shall not be required to be postponed when a specific representative requested by the employee is not available but another representative can be made available in a timelier fashion. At the employee's request the representative shall have the same access to documents, recording, photographs, evidence, and other items germane to the investigation that the employee has access to.
- (g) No documents adverse to any employee's interests may be included in their personnel file unless they have had the opportunity to review such documents.
- (h) If an employee is called for questioning as a witness in, and is not considered a subject of, an internal investigation it is not required that the employee be allowed to have a representative present for the questioning. However, the Department will make a good faith effort to do so when the witness employee requests and it does not unreasonably protract the interview from being conducted. The witness interview shall not be required to be postponed when a specific representative requested by the employee is not available but another representative can be made available in a timelier fashion. The representative may not also be the representative of any other people involved in the investigation.
- (i) As provided in California Labor Code section 1198.5, upon written request any employee or representative of the employee has the right to inspect and receive a copy of the employee's personnel file within a reasonable period of time after a request by the employee. (Added 2019-2021)

A request for conversion must be submitted by January 31 of the year immediately following the qualifying calendar year. An employee must have been employed the full qualifying calendar year (January 1 through December 31).

- 9.4.6 The City Manager shall revoke pay and sick leave time if the employee has engaged in private or public work while upon such leave. Misuse of sick leave privileges is grounds for disciplinary action.
- 9.4.7 Sick leave must be taken in increments of not less than one quarter (.25) of an hour. (Amended 2019-2021)

Bereavement leave is applicable when death occurs in the employee's immediate family and will not be charged against the employee's accumulated sick leave. - 9.6.2 Up to forty-eight (48) hours earned time off for sworn represented employees and Dispatchers may be taken as "stress leave" at the employee's discretion, with shift coverage provided by other employees to be paid for hours worked as defined in [Sections 7.1](#) and [7.2](#) of this MOU. For the purposes of this provision "earned time off" will include compensatory time off, floating holidays, and vacation. (Amended 2013-2015)

- 9.6.4 For Dispatchers, stress time off may also be covered by part-time dispatch help upon approval of the Chief of Police. Granting of the "stress leave" off would be subject to the ability of the employee to locate another employee available to fill in, such employee being of the same classification. Out of classification substitutions must have the prior approval of the Chief of Police or designee.
- 9.6.5 Stress leave must be taken in increments of not less than two (2) hours.
- 9.6.6 Employees on requested time off (i.e. scheduled vacation) who agree to work for another employee requesting stress leave shall be paid for regular hours worked only. Use of previously approved leave banks shall not be used in addition to stress time worked. Additionally, stress time worked shall not be considered hours worked for the purposes of determining overtime, as detailed in [Section 7.1](#).
- 9.6.7 The following will happen when an on-duty sworn represented employee has arranged shift coverage using stress time but is prevented from leaving during the shift due to an in-progress call and/or major investigation:
 - (a) The officer scheduling stress time off (Officer A) will continue to work on the unforeseen detail and be compensated at the regular hourly rate, which time will not be counted as stress time.
 - (b) The officer (Officer B) who had come in to cover for Officer A will be put into service for the amount of time previously arranged by Officer A.

SECTION 9.7 JURY DUTY

- 9.7.1 Any employee who is required to report for jury duty shall receive full pay for such absence from duty provided the employee endorses to the City any checks or warrants received in payment for jury duty excluding mileage for personal vehicles or other out-of-pocket expenses incurred due to jury duty and provides verification of jury duty service.

If overtime is taken as CTO, it is accrued in the customary way, and paid at the regular rate of pay applicable at the time of use or cash out.

In order to be eligible to receive the opt out payment, the employee must provide annual proof of adequate "minimum essential" non-City medical coverage for all applicable dependents and employee (self), and sign an agreement holding the City harmless.

(b) It is further agreed that if at any time during this contract, the City's health plan(s) (currently REMIF Self-Funded Medical Plan) or the REMIF Board changes or limits participation requirements, prohibits an opt out payment, or the opt out payment otherwise negatively impacts the City directly or its participation in the Plan(s), such payment shall be discontinued at that time. Discontinuance of such payment shall not be required to be offset or substituted by the City with any other pay or benefit. (Amended 2019-2021)

1. Retired employees must have been covered under the REMIF health plan for a minimum of five (5) years up to the last day of work.

ATTACHMENT B REMIF RETIREE HEALTH PLAN ELIGIBILITY GUIDELINES

REMIF Retiree Health Plan Eligibility Guidelines

Eligibility Rules for Retiree Benefits

Each participating entity may establish more stringent eligibility standards but, in no event, shall any participating entity have the prerogative of adopting less stringent eligibility standards than those approved by the REMIF Board of Directors.

Each member entity will determine a retiring employee's eligibility for health, dental and vision care benefits based on applicable Memorandums of Understanding (MOU) and/or employment agreements. Should a member entity provide health, dental and vision care benefits for retired employees through REMIF's programs, at a minimum the following eligibility guidelines must be met:

1. **Normal Service Retirement** – To any REMIF member entity employee who has at least ten (10) years of continuous employment with a member entity before retirement and who retires for service under the rules of the Public Employees Retirement System (PERS). Coverage may extend to eligible dependents of the retired employee. Service with any REMIF member entity may be credited toward the years of service requirement at each entity's discretion, as determined by their MOUs and/or employment agreements.
 - a. As of 7/1/11: To be eligible, employees must be enrolled in a REMIF member entity's health program immediately prior to retirement.
 - b. As of 7/1/12: To be eligible, employees must be enrolled in a REMIF member entity's health program immediately prior to retirement; and must have been enrolled for a minimum of 1 year; except when termination is the result of a reduction in force or separation within 1 year from 7/1/12. In that case, refer to rule 1a.
2. **Permanent or Total Disability** – To any employee who has at least ten (10) years of continuous service with the member entity before retirement and who retires for reason of permanent or total disability. Coverage may extend to eligible dependents of the retired employee. Total disability will be determined according to the norms of workers' compensation law, and total disability is defined as a disability rating in excess of fifty percent (50%) as determined by such norms.
 - a. An employee retired for a *service connected disability* need not meet the requirements of ten (10) years of service. An employee who retires from service with a participating employer due to a PERS disability retirement (non-safety) or a PERS industrial disability retirement (safety) need not meet the requirement of ten (10) years of service. However, he or she must have worked the minimum number of years as required by the participating employer's labor agreement.
3. **Surviving Dependents of a Deceased Active Employee** – Eligibility for coverage for surviving spouse and eligible dependents must be approved and adopted by each REMIF member entity. Where eligibility for surviving dependents has been adopted, enrollment will be offered as follows: To a surviving spouse and eligible dependents of an active employee who had ten (10) years or more of continuous service with a member entity at the date of his or her death; who dies while still an employee of the member entity; and whose surviving spouse and eligible dependent children are enrolled at the time of death. Coverage may continue after the active employee's death for a covered spouse until such time as the covered spouse dies or remarries. Such benefits may also continue for the deceased employee's covered eligible dependent children, but not beyond the twenty-sixth (26th) birthday of the dependent child. New dependents acquired by the survivor(s) shall not be eligible for coverage.

4. **Surviving Dependents of a Deceased Retiree** – Eligibility for coverage for surviving spouse and eligible dependents must be approved and adopted by each REMIF member entity. Where eligibility for surviving dependents has been adopted, enrollment will be offered as follows: To a covered spouse until such time as the covered spouse dies or remarries. To a covered eligible dependent up to the twenty-sixth (26) birthday of the dependent child. New dependents acquired by the survivor(s) shall not be eligible for coverage.
5. **Coordination of Benefits** – Benefits provided under this policy shall be coordinated with Medi-Care, Medi-Cal, and any similar program which is available to the retiree, and where similar programs are available to the retiree coverage provided under this policy shall be secondary to and coordinate with such other coverage.
6. **Late Enrollment** – There is no late enrollment. If an eligible retiree does not elect to enroll in REMIF retiree benefits at the time of retirement, he/she will not be allowed to enroll at a later time.
7. **Disenrollment** – If a retiree elects to disenroll from REMIF benefits, he/she will not be allowed to re-enroll at a later time.
