### **DISCUSSION**

Appointments of Councilmembers to JPA Boards, commissions and committees are made after each general election when there are changes in elected officials. The 2024 General Election resulted in Ward 2 and Ward 4 incumbents remaining in their elected offices and therefore no requirement to appoint new councilmembers is necessary to fill the boards for HCOAG, JPA's or 2x2 committees.

Staff surveyed all Councilmembers asking if they would like to resign or change their board or committee appointment. No members of the council indicated that they would like to resign their appointment. Staff recommends that Council re-appoint Councilmembers to their current position for a term of two years.
