Attachment for Commercial Medical Marijuana (CMM) Clearances/Permits

Applications for CMM Clearances and/or Permits are reviewed by the Division of Environmental Health (DEH) for compliance with regulations intended to protect public health and the environment. Submit this form to the Planning Division with your CMM Permit Application for referral to DEH. If the requested information is already provided in other documents submitted to the Planning Division, provide the title of the document with page and section numbers where it is located.

Name of Business: Grouse Mountain Green LLC Primary Contact Person: Ashok Umashankar

General Project Description (cultivation, processing, manufacturing; seasonal vs year round etc.)

Seasonal mixed-light and outdoor cultivation Planning Application (APPS#): 11393

Wastewater (Doc. Title n/a page _____ section _____)

- Connected to public sewer no Onsite waste water system Septic systems (2)
- Number of Employees: average 4 peak operations: 8-10
- Hours of Operation/shifts per day: average 8hr/1day peak operations: 8hr/1day
- Additional flow from processing: n/a GPD. Description of effluent _____

- Describe the proposed and existing wastewater generating structures and method(s) of effluent disposal. Two houses with plumbing and septic systems

Water Source (Doc. Title CDFW LSA Permit page _____ section _____)

- Describe and show the water source(s) available on the property and what they serve.
 - Public Water System
 - Well Permit Number(s): _____
 - Unpermitted Well
 - No Existing Water Source
 - Spring
 - Approved Surface Water/Description Headwater spring
 - Unapproved Surface Water/Description _____
 - Other: Pond (lined ~650,000 gal.)
- Describe the approximate daily water demand for the current and projected uses on the property and method used to calculate demand: See LSA permit application on file with the County. Approx. domestic use of 100 gal/day/person based on EPA standards. Ciltivation peak use estimated at 5,000 gal/day.

Consumer Protection (Doc. Title n/a page _____ section _____)

- List/Describe any food production or service: n/a
- Describe and show on site plan, any existing or proposed kitchen infrastructure: _____

Note: DEH does not currently regulate edible cannabis products. Any other food production may require a Plan Check and permitting.

Hazardous Materials (Doc. Title n/a page _____ section _____)

- List/describe production/cultivation machinery (e.g. generator, tractor, OHV, trimmer, heaters etc.): Two diesel generators (intermentent use), propane heaters, ATVs, atomizers, water pumps, string trimmers, dehumidifiers, tractor/SAV
- Equipment Maintenance/Service (e.g., changing oil, antifreeze, etc.): Onsite or Offsite Offsite
- List/describe fuel/oil(s) used or produced onsite (e.g. gasoline, diesel, propane, other?). Provide amounts and storage method(s): Propane (portable 7 gal), two 250 gal. deisel tanks with containment, portable 5 gal. gasoline tanks with covered shed storage.
- List/describe all compressed gases, cleaners, solvents and sanitizers (including, but not limited to, household chemicals, bleach and alcohol). Provide amounts and storage method(s): Rubbing alcohol (1 gal. containers, covered shed storage)
- List/describe fertilizers, soil amendmets and biocides (including organic ones). Provide amounts and storage method/area(s): Trifecta spray, Neem oil, CaMg, compost teas. Covered storage sheds (less than 200 gal. combined) *Attach Safety Data Sheets (SDS)

Solid Waste/Recycling (Doc. Title n/a page _____ section _____)

- List/describe the different anticipated solid waste/recycling, composting products and anticipated amounts: Trash and recycling storage shed with trash cans for temporary storage until disposal.
- Describe, and show on the site plan, the designated area for storage of recycling and solid waste (containers stored outside must be covered): Covered sheds nears house areas as shown on site plan.
- Describe waste removal plan including frequency and destination
 - Garbage (1x/week) Bi-weekly or as needed (Eureka)
 - Recycling(x/month) Bi-monthly or as needed (also solid nuisances including odors and vermin)
 - Hauling via Garbage/Recycling Service: _____ or Self Haul Self-haul
- Preferred permitted solid waste/recycling facility: Eureka (Hum. Waste Managment)

Note: Spent growth medium with no further agricultural use is considered solid waste. It must be stored under cover until it can be hauled to a waste facility.
