Our Mission

Our mission is to preserve and protect the quality of life for all who live, work, visit, and invest in our jurisdiction by the efficient delivery of emergency services, which include fire prevention, protection and suppression, and emergency medical aid.

Dear Ms. Damico,

We are reaching out to request that the Board of Supervisors please consider appointing Ms. Jayne Messenger to the Telegraph Ridge Fire Protection District Board of Directors. Two of our seats were vacant after the 2024 election and we understand that those vacancies created cannot be filled until the 2026 election, either by candidacy or appointment. Unfortunately, one of our three sitting members is unable to continue in their role. Without an appointed replacement there is no quorum. In an effort to ameliorate the tenuous situation we respectfully request that at the Board of Supervisors' earliest convenience an appointment of Ms. Jayne Messenger be made to the Telegraph Ridge Fire Protection District Board. Christina in the OOE has verified her eligibility as a registered voter in our District.

Thank you for your time and consideration.

Warm Regards,

Moses Danzer and Gil Gregori
