Thank you for sending over this request. We will be recommending that the council approve your request at the meeting next week on June 4<sup>th</sup>. It is not necessary for you to be there, as it will be on the consent calendar, but if you do want to make it, you are welcome to say a few words during public comment.

Dear Merritt,

I wanted to reach out to you to request a waiver of the city's fee for our Jubilee celebration. This lovely event is not intended to be profitable but rather a purely Arcata celebration! It is free to the community and fills the plaza with joyful locals many of whom have been coming for decades through thick and thin, good times, and tough times. I am hoping you will pass this on to our esteemed city council members.

Thank you so much for all your hard work for Arcata, and for considering this request,

Bob
