City of Eureka
531 K Street
Eureka, California 95501

Ladies and Gentlemen:

The undersigned Oppenheimer & Co. Inc. (the “Underwriter”), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (which, together with Exhibit A, is referred to as this “Purchase Agreement”) with the Eureka Public Financing Authority (the “Authority”) and the City of Eureka (the “City”), which, upon the acceptance by the Authority and the City, will be binding upon the parties hereto. By execution of this Purchase Agreement, the Authority, the City and the Underwriter acknowledge the terms hereof and recognize that they will be bound by certain of the provisions hereof, and to the extent binding thereupon, acknowledge and agree to such terms. This offer is made subject to acceptance by the Authority and by the City by the execution of this Purchase Agreement and delivery of the same to the Underwriter prior to 11:59 P.M., Pacific time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Authority and the City at any time prior to the acceptance hereof by the Authority and the City. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture (defined herein).

The City and Authority acknowledge and agree that: (i) the purchase and sale of the Bonds (defined herein), pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Authority, on one hand, and the Underwriter, on the other; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or the Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or the Authority on other matters); (iv) the Underwriter has financial and other interests that differ from those of the City and the

Authority; and (v) the City and the Authority have consulted their own legal, financial and other advisors to the extent they have deemed appropriate.

Section 1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Authority, and the Authority hereby agrees to issue, sell and deliver to the Underwriter all (but not less than all) of the Eureka Public Financing Authority Lease Revenue Bonds (City Facilities), Series 2025 (the “Bonds”). The Bonds will be dated as of their date of delivery. Interest on the Bonds shall be payable semiannually in each year on May 1 and November 1, commencing November 1, 2025 (each an “Interest Payment Date”), and will bear interest at the rates and on the dates as set forth in Exhibit A attached hereto.

The purchase price for the Bonds shall be \$_____ (which represents the principal amount of the Bonds, plus a net original issue premium in the amount of \$_____, less an Underwriter’s discount of \$_____) (the “Purchase Price”).

The Underwriter agrees to make a *bona fide* public offering of the Bonds at the initial offering yields set forth in the Official Statement (defined herein); however, the Underwriter reserves the right to make concessions to dealers and to change such initial offering yields as the Underwriter shall deem necessary in connection with the marketing of the Bonds. The Underwriter agrees that, in connection with the public offering and initial delivery of the Bonds to the purchasers thereof from the Underwriter, the Underwriter will deliver or cause to be delivered to each purchaser a copy of the final Official Statement prepared in connection with the Bonds, for the time period required under Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”). Terms defined in the Official Statement are used herein as so defined.

Section 2. The Bonds. The Bonds shall be secured by revenues consisting primarily of base rental payments (the “Base Rental Payments”) to be paid by the City pursuant to the Lease Agreement, dated as of July 1, 2025 (the Lease Agreement”), by and between the Authority and the City. The Authority’s right to receive the Base Rental Payments due under the Lease Agreement and to exercise remedies upon default under such Lease Agreement shall be assigned to U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) for the benefit of the owners of the Bonds pursuant to an Indenture, dated as of July 1, 2025 (the “Indenture”), by and among the Authority, the City, and the Trustee. The Bonds shall be as described in and secured under and pursuant to the Indenture. The Bonds will be subject to redemption as set forth in the Indenture and Official Statement herein described.

The Bonds are being issued to provide funds to: (i) finance costs of the acquisition, design, engineering, construction, improvement, and installation of certain public capital facilities, consisting primarily of a new corporation yard and operations complex and improvements to the city hall and municipal auditorium facilities; and (ii) pay the costs incurred in connection with the issuance of the Bonds.

Section 3. Public Offering. The Underwriter agrees to make an initial public offering of all the Bonds at the public offering prices (or yields) set forth on Exhibit A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth on

Exhibit A attached hereto. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.

Section 4. Establishment of Issue Price of the Bonds.

(a) The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) Except as otherwise set forth in Exhibit A, the Authority will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Authority or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”).

So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following: (i) the close of the 5th business day after the sale date; or (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Authority promptly after the close of the 5th business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires,

contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The Authority acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Authority further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue

price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

Section 5. The Official Statement. By their acceptance of this Purchase Agreement, the Authority and the City ratify, confirm and approve of the use and distribution by the Underwriter prior to the date hereof of the Preliminary Official Statement relating to the Bonds, dated _____, 2025 (including the cover page, all appendices and all information incorporated therein and any supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the “Preliminary Official Statement”) that authorized officers of the City deemed “final” as of its date, for purposes of Rule 15c2-12 except for certain omissions permitted to be omitted therefrom by Rule 15c2-12. The Authority and the City hereby agree to deliver or cause to be delivered to the Underwriter, within seven (7) business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Bonds (including all information previously permitted to have been omitted by Rule 15c2-12, the cover page, all appendices, all information incorporated therein and any amendments or supplements as have been approved by the Authority, the City and the Underwriter (the “Official Statement”)) in such quantity as the Underwriter shall reasonably request to comply with Securities and Exchange Commission Rule 15c2-12(b)(4) and the rules of the Municipal Securities Rulemaking Board (the “MSRB”).

The Underwriter hereby agrees that it will not request that payment be made by any purchaser of the Bonds prior to delivery by the Underwriter to the purchaser of a copy of the Official Statement. The Underwriter agrees to (i) provide the Authority and the City with final pricing information on the Bonds on a timely basis and (ii) promptly file a copy of the final Official Statement, including any supplements prepared by the Authority or the City with the MSRB on its Electronic Municipal Markets Access (“EMMA”) system at <http://emma.msrb.org>. The Authority and the City hereby approve of the use and distribution by the Underwriter of the final Official Statement in connection with the offer and sale of the Bonds. The Authority and the City will cooperate with the Underwriter in the filing by the Underwriter of the Official Statement with EMMA.

Section 6. Closing. At 8:00 a.m., California time, on [Closing Date], or at such other time or date as the Authority, the City and the Underwriter agree upon, the Authority shall deliver or cause to be delivered to the Trustee, and the Trustee shall deliver or cause to be delivered through the facilities of The Depository Trust Company, Jersey City, New Jersey (“DTC”), the Bonds in definitive form, duly executed and authenticated. Concurrently with the delivery of the Bonds, the Authority and the City shall deliver the documents hereinafter mentioned at the offices of Orrick, Herrington & Sutcliffe LLP, or another place to be mutually agreed upon by the Authority, the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in immediately available funds. This payment for and delivery of the Bonds, together with the delivery of the aforementioned documents referenced herein, is called the “Closing.”

The Bonds shall be registered in the name of Cede & Co., as nominee of DTC in denominations of five thousand dollars (\$5,000) or any integral multiple thereof, and shall be made available to the Underwriter at least one (1) business day before the Closing for purposes of inspection and packaging. The Authority and the City acknowledge that the services of DTC will be used initially by the Underwriter to permit the issuance of the Bonds in book-entry form, and agree to cooperate fully with the Underwriter in employing such services.

Section 7. Representations, Warranties and Covenants of the Authority. The Authority represents, warrants and covenants to the Underwriter and the City that:

(a) The Authority is and will be at the date of Closing a joint exercise of powers authority organized and existing under the laws of the State of California, including Section 6500 et seq. of the California Government Code (the “JPA Act”) with all necessary power and authority to enter into and perform its duties under the Ground Lease, dated as of _____ 1, 2025 (the “Ground Lease”), by and between the City and the Authority, the Lease Agreement, the Indenture, and this Purchase Agreement. The Ground Lease, Lease Agreement, Indenture, and this Purchase Agreement are collectively referred to herein as the “Authority Documents”.

(b) The Authority has complied with all filing requirements of the JPA Act.

(c) By official action of the Authority prior to or concurrently with the acceptance hereof, the Authority has duly approved the distribution of the Preliminary Official Statement and the distribution of the Official Statement (including in electronic form), and has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained, in the Authority Documents. When executed and delivered, each Authority Document will constitute the legal, valid and binding obligation of the Authority enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy,

insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally.

(d) Prior to the date hereof, the Authority has provided to the Underwriter for its review the Preliminary Official Statement that an authorized officer of the Authority has deemed final for purposes of Rule 15c2-12, has approved the distribution of the Preliminary Official Statement and the Official Statement and has duly authorized the execution and delivery of the Official Statement (including in electronic form). The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system or prices and yields for the Bonds, or any other information provided by the Underwriter, as to which no view is expressed), in light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing, the final Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system or prices and yields for the Bonds, or any other information provided by the Underwriter, as to which no view is expressed), in light of the circumstances under which they were made, not misleading.

(e) To the knowledge of the undersigned officer of the Authority, the execution and delivery by the Authority of the Authority Documents and the approval and execution by the Authority of the Official Statement and compliance with the provisions on the Authority's part contained in the Authority Documents, will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party or is otherwise subject to, which conflict, breach or default has or may have a material adverse effect on the ability of the Authority to carry out its obligations under the Authority Documents, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any material lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the Authority under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument, except as provided by the Authority Documents.

(f) The Authority will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement. The Authority will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

(g) To the knowledge of the undersigned officer of the Authority, the Authority is not in breach of or default under any applicable law or administrative regulation of the State of California or the United States or any applicable judgment or decree or any loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument to which the Authority is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under any such instrument, in each case which breach or default has or may have a material adverse effect on the ability of the Authority to perform its obligations under the Authority Documents.

(h) As of the time of acceptance hereof and as of the date of Closing, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, is pending or, to the knowledge of the officers of the Authority,

threatened (i) in any way questioning the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices, (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the execution or delivery of any of the Bonds, or in any way contesting or affecting the validity of the Bonds or the Authority Documents or the consummation of the transactions contemplated thereby, or contesting the exclusion of the interest on the Bonds from gross income for federal income tax purposes or contesting the powers of the Authority to enter into the Authority Documents or (iii) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clause (i) through (iii) of this sentence.

(i) Any certificate signed by any officer of the Authority authorized to execute such certificate in connection with the issuance, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the Authority to the Underwriter and the City as to the statements made therein but not of the person signing such certificate.

Section 8. Representations, Warranties and Covenants of the City. The City represents, warrants and covenants to the Underwriter and the Authority that:

(a) The City is and will be at the date of Closing a municipal corporation and charter city duly organized and existing pursuant to and under the Constitution and laws of the State of California and has all necessary power and authority to enter into and perform its duties under the Continuing Disclosure Certificate relating to the Bonds (the “Continuing Disclosure Certificate”), the Indenture, the Ground Lease, the Lease Agreement and this Purchase Agreement (together, the “City Documents” and, together with the Authority Documents, the “Legal Documents”) and has by official action duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained in the City Documents.

(b) By official action of the City prior to or concurrently with the acceptance hereof, the City has duly approved the distribution of the Preliminary Official Statement and the distribution of the Official Statement (including in electronic form), and has duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained, in the City Documents. When executed and delivered, each City Document will constitute the legally valid and binding obligation of the City enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally.

(c) The Preliminary Official Statement heretofore delivered to the Underwriter is hereby deemed final by the City as of its date and as of the date hereof, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(i) of Rule 15c2-12. The Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information relating to DTC and its book-entry system or prices and yields for the Bonds, or any other information provided by the Underwriter, as to which no view is expressed), in the light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing, the final Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein (other than the information

relating to DTC and its book-entry system or prices and yields for the Bonds, or any other information provided by the Underwriter, as to which no view is expressed), in the light of the circumstances under which they were made, not misleading.

(d) To the knowledge of the undersigned officer of the City, the execution and delivery by the City of the City Documents and the approval by the City of the Official Statement and compliance with the provisions on the City's part contained in the City Documents, will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument to which the City is a party or is otherwise subject to, which conflict, breach or default has or may have a material adverse effect on the ability of the City to carry out its obligations under the City Documents, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any material lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the City under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, trust agreement, bond, note, resolution, agreement or other instrument, except as provided by the City Documents.

(e) The City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement. The City will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental Authority prohibiting or otherwise affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

(f) To the knowledge of the undersigned officer of the City, after reasonable inquiry, the City is not in breach of or default under any applicable law or administrative regulation of the State of California or the United States or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under any such instrument, in each case which breach or default has or may have a material adverse effect on the ability of the City to perform its obligations under the City Documents.

(g) The financial statements relating to the receipts, expenditures and cash balances of the City as of June 30, 2024 as set forth in the Official Statement fairly represent the revenues, expenditures and fund balances of the General Fund. Except as disclosed in the Preliminary Official Statement, the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the General Fund or in its operations since June 30, 2024 and, except as disclosed in the Preliminary Official Statement, the Official Statement or otherwise disclosed in writing to the Underwriter, there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(h) As of the time of acceptance hereof and as of the date of Closing, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, is pending or, to the knowledge of the officers of the City, threatened (i) in any way questioning the corporate existence of the City or the titles of the officers of the City to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the execution or delivery of any of the Bonds, or in any way contesting or affecting the validity of the Bonds or the City Documents or the consummation of the transactions contemplated thereby, or contesting the exclusion of the interest on the Bonds from gross income for federal income tax purposes or contesting the power of the City to enter into the City Documents; (iii) which may result

in any material adverse change to the financial condition of the City or to its ability to pay the Base Rental Payments when due; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clause (i) through (iv) of this sentence.

(i) To the extent required by law, the City will undertake, pursuant to the Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth as an appendix to the Preliminary Official Statement and will also be set forth in an appendix to the final Official Statement. Except as otherwise disclosed in the Preliminary Official Statement and the Official Statement, the City has never failed to comply in all material respects with any previous undertakings with regard to Rule 15c2-12 to provide annual reports or notices of enumerated events with respect to the last five years.

(j) Any certificate signed by any officer of the City authorized to execute such certificate in connection with the issuance, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the City to the Underwriter and the Authority as to the statements made therein but not of the person signing such certificate.

(k) As of the date hereof, the City does not have any material obligations secured by payments from the General Fund of the City, except as disclosed in the Preliminary Official Statement and the Official Statement.

Section 9. Conditions to the Obligations of the Underwriter. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the Authority and the City contained herein. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the date of the Closing shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and of the City, as well as authorized representatives of Bond Counsel, the Trustee, Disclosure Counsel and the municipal advisor made in any Bonds or other documents furnished pursuant to the provisions hereof; to the performance by the Authority and the City of their obligations to be performed hereunder at or prior to the date of the Closing; and to the following additional conditions:

(a) The representations, warranties and covenants of the City and the Authority contained herein shall be true, complete and correct at the date hereof and at the time of the Closing, as if made on the date of the Closing;

(b) At the time of Closing, the Legal Documents shall be in full force and effect as valid and binding agreements between or among the various parties thereto, and the Legal Documents and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter, and all such reasonable actions as, in the opinion of Bond Counsel, shall reasonably deem necessary in connection with the transactions contemplated hereby;

(c) At the time of the Closing, no default shall have occurred or be existing under the Authority Documents, the City Documents, or any other agreement or document pursuant to which any of the City's financial obligations were executed and delivered, and the City shall not be in default in the payment of principal or interest with respect to any of its financial obligations, which default would adversely impact the ability of the City to make the Base Rental Payments;

(d) In recognition of the desire of the Authority, the City and the Underwriter to effect a successful public offering of the Bonds, and in view of the potential adverse impact of any of the following events on such a public offering, this Purchase Agreement shall be subject to termination in the absolute discretion of the Underwriter by notification, in writing, to the Authority and the City prior to delivery of and payment for the Bonds, if at any time prior to such time, regardless of whether any of the following statements of fact were in existence or known of on the date of this Purchase Agreement:

(i) any event shall occur which makes untrue any statement or results in an omission to state a material fact necessary to make the statements in the Official Statement, in the light of the circumstances under which they were made, not misleading, which event, in the reasonable opinion of the Underwriter would materially or adversely affect the ability of the Underwriter to market the Bonds;

The opinions and conclusions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions or conclusions may be affected by actions taken or omitted or events occurring after the original delivery of the Bonds on the date hereof. We have not undertaken to

determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the original delivery of the Bonds on the date hereof. We have assumed the genuineness of all documents and signatures provided to us and the due and legal execution and delivery of each such document by each party thereto other than the Authority and the City and that each such document constitutes a valid and binding agreement of such party. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the third paragraph hereof. We have further assumed compliance with all covenants and agreements contained in such documents. In addition, we call attention to the fact that the rights and obligations under the Bonds, the Indenture, the Ground Lease, the Lease Agreement, the Tax Certificate, the Continuing Disclosure Certificate and the Purchase Contract and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Authority and the City in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinions with respect to the state or quality of title to or interest in any real or personal property described in or as subject to the lien of the Indenture, the Ground Lease and the Lease Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such property. Finally, we undertake no responsibility for the accuracy, except as expressly set forth in numbered paragraph 3 below, completeness or fairness of the Official Statement dated [PRICING], 2025 (the "Official Statement") or other offering material relating to the Bonds and express no view with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions and conclusions:

1. The Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Indenture is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended. [No opinion is expressed with respect to the [Bond Insurance] or [Reserve Fund Surety Policy].]

2. The Purchase Contract has been duly executed and delivered by, and constitutes a valid and binding agreement of, each of the Authority and the City.

3. The statements contained in the Official Statement under the captions "THE BONDS" (excluding therefrom all information pertaining to DTC and its book-entry only system, as to which no opinion is expressed), "SOURCES OF PAYMENT FOR THE BONDS," "TAX MATTERS," and APPENDIX C – "SUMMARY OF CERTAIN PROVISIONS OF PRINCIPAL LEGAL DOCUMENTS," excluding any material that may be treated as included under such captions by cross reference or reference to other documents or sources, insofar as such statements expressly summarize certain provisions of the Indenture, the Ground Lease and the Lease Agreement, and certain matters addressed in the Bond Opinion, are accurate in all material respects.

4. The Continuing Disclosure Certificate has been duly executed, and delivered by, and is the valid and binding obligation of, the City. No opinion is expressed regarding the adequacy of

the Continuing Disclosure Certificate for purposes of Securities and Exchange Commission Rule 15c2-12.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements contained in the Preliminary Official Statement or (except as explicitly stated in paragraph 3 above) in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. In our capacity as bond and disclosure counsel to the Authority in connection with issuance of the Bonds, we participated in conferences with your representatives, your counsel, representatives of the Authority, the City, their counsel, and others, during which the contents of the Preliminary Official Statement or the Official Statement and related matters were discussed. Based on our participation in the above-mentioned conferences (which, with respect to the Preliminary Official Statement, did not extend beyond the date of the Purchase Contract), and in reliance thereon, on oral and written statements and representations of the Authority and the City and others and on the records, documents, certificates, opinions and matters herein mentioned, subject to the limitations on our role as bond and disclosure counsel to the Authority, we advise you as a matter of fact and not opinion that (a) no facts had come to the attention of the attorneys in our firm rendering legal services with respect to the Preliminary Official Statement which caused us to believe as of the date of the Preliminary Official Statement and the date of the Purchase Contract, based on the documents, drafts and facts in existence and received as of those dates that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (except any information marked as preliminary or subject to change, any information permitted to be omitted by Securities and Exchange Commission Rule 15c2-12 or otherwise left blank and any other differences with the information in the Official Statement), and (b) no facts had come to the attention of the attorneys in our firm rendering legal service with respect to the Official Statement which caused us to believe as of the date of the Official Statement and as of the date hereof that the Official Statement contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that we expressly exclude from the scope of this paragraph and express no view with respect to both the Preliminary Official Statement and the Official Statement, about any CUSIP numbers, financial, accounting, statistical, economic, engineering or demographic data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions or expressions of opinion, any information about feasibility, valuation, appraisals, absorption, real estate or environmental matters, litigation, any management discussion and analysis, any statements about compliance with prior continuing disclosure undertakings, Appendices B and F, or any information about book-entry, DTC, Cede & Co., ratings, rating agencies, municipal advisors, underwriting[, the Bond Insurance Policy, or the Reserve Fund Surety Policy] included or referred to therein or omitted therefrom. No responsibility is undertaken or conclusion expressed with respect to any other disclosure document, materials or activity, or as to any information from another document or source referred to by or incorporated by reference in the Preliminary Official Statement or the Official Statement.
