Why are you interested in serving on the McKinleyville Municipal Advisory Committee?	I was born and raised in McKinleyville and purchased a home here in 2020. I am deeply invested in the financial, social, and environmental well-being of this community. Serving on the MMAC is an opportunity to give back by encouraging thoughtful, balanced decision-making that reflects both community values and long-term sustainability. If I can help drive greater public engagement in the MMAC process and promote responsible development that strengthens our town's identity and economic viability, I will consider my term a success.
