What would you like to accomplish on the Headwaters Fund Board?	As an arts administrator in Humboldt County for the past 21 years, with a focus on local and regional arts organizations, I'm very interested in serving on the Headwaters Fund board. I think my experience would provide valuable perspective on the role the arts play in our county, and on the challenges and opportunities arts organizations face.
Employment and Experience	Currently, I am the Executive Director-Curator for the Humboldt Arts Council in the Morris Graves Museum of Art and have served in related positions throughout the state of California.
Previous Board (Or Comparable) Experience	Board Member-CA Association of Museums; Commissioner-Eureka Arts & Culture Commission; Member-Eureka Cultural Arts District Leadership Council
Vision	I envision the Headwaters Fund supporting the many unique opportunities Humboldt County offers locals and visitors alike. I also envision it supporting the local economy, environment, and community.
Collaboration	Collaboration Having served on a handful of local and state boards, I understand that it is imperative to work collaboratively with the other members to come to a decision that best serves the community. On previous boards, I have successfully worked with my fellow members to foster cooperation and consensus building, which led to positive decisions and outcomes. In the case of the Headwaters Fund Board, my collaborative work style would undoubtedly serve the community well.
Contributions	Arts & Culture
Your Role on the Headwaters Board	If appointed to the Headwaters Fund board, I would work to increase the role of arts and culture, which I believe are integral to Humboldt County.
Time Commitment	I am available to attend all meetings and am willing to do what is needed to further the mission of the Headwaters Fund.
