FISCAL IMPACT

No Fiscal Impact Included in Budget Additional Appropriation

COUNCIL GOALS/STRATEGIC VISION

- Effective Governance

DISCUSSION

The City is a member of RRDEC. Their Board recently approved an amended and restated JPA Agreement. The decision to amend the Agreement was made in order to create more sustainable and resilient economic opportunities. In particular, to update the Agreement's purposes to reflect current economic development practices, to facilitate greater coordination within the region and to update administrative provisions of the Joint Powers Agreement such as the Commission's regular meeting schedule and its budget adoption schedule.
