Why are you interested in serving on the McKinleyville Municipal Advisory Committee?*

Important changes and challenges are coming to Mckinleyville: the Mckinleyville Town Center combined with proposed improvements to the recently established Mckinleyville Community Forest are two of the most significant Mckinleyville developments in the last 50 years. To ensure the publics concerns are addressed, extensive community discussion and coordination is required. I am eager to be apart of that conversation because I support responsible and affordable development, walkable neighborhoods for young families, and outdoor recreation for all.

Please write a brief statement describing why you are interested in serving on the MMAC.
