Why are you interested in serving on the McKinleyville Municipal Advisory Committee?*

McKinleyville is a deceptively cool place to live. It is a community filled with many wonderful and interesting people and much natural beauty. I wish to serve on the MCMAC because I want to assist with gathering input from the community concerning County services to the McKinleyville area. Ultimately, I would like to help make McKinleyville a more economically, culturally, and ecologically thriving community. As an avid and long-term public transportation and bicycle commuter, I am especially interested in helping make McKinleyville a safer, more integrated, cohesive and resilient community. I have lived in McKinleyville for over 30 years and have some experience and background in regional and landscape level-planning, State regulations, local ordinances, and administrative processes. I am open minded, appreciate a diversity of opinions, try to be kind, and seek first to understand.

Please write a brief statement describing why you are interested in serving on the MMAC.
