Please upload a current resume.

**Why are you interested in serving on the McKinleyville Municipal Advisory Committee?\***

I have lived in McKinleyville nearly my entire life, attending kindergarten through 12th grade in the McKinleyville school system. I spent my childhood fully immersed in this community—playing baseball, riding bikes, and playing paintball in the very area now slated to become the new McKinleyville Town Square. That land isn't just a development site to me; it's part of my story growing up here. At 23, I purchased my first home—a duplex from Jim Furtado—which I still own today as an income property. I've built my life here, not just personally but financially, and I remain invested in the long-term health and success of our community. My 2.5-year-old son has just started preschool in McKinleyville, and my wife is currently pregnant with twins who will also grow up here. I am proud of this town and firmly believe there is no better place to live or raise a family. Most of my friends and family still live and work in McKinleyville, representing every part of the spectrum of constituents who make up this community. Their perspectives, livelihoods, and futures matter deeply to me. Because of my lifelong roots, my personal and financial investment, and the fact that I am raising the next generation here, I am deeply committed to the future of McKinleyville. I would be honored to serve on the McKinleyville Municipal Advisory Committee and contribute meaningfully to the continued growth and well-being of the town I proudly call home.
