

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EUREKA AMENDING TITLE IX, CHAPTER 91 SECTIONS 91.101 THROUGH 91.1105 AND ADDING SECTIONS 91.206 AND 91.1106 OF THE EUREKA MUNICIPAL CODE TO UPDATE ANIMAL REGULATIONS, INCORPORATE UNIFORM ADMINISTRATIVE HEARING PROCEDURES, AND REGULATE THE PRESENCE OF DOGS AND OTHER DOMESTIC ANIMALS AT DESIGNATED CITY-SPONSORED EVENTS

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EUREKA AS FOLLOWS:

WHEREAS, the City of Eureka is authorized under Article XI, Section 7 of the California Constitution to make and enforce within its limits all local, police, sanitary, and other ordinances and regulations not in conflict with general law; and

WHEREAS, the protection of public health, safety, and welfare is a fundamental municipal function and includes the regulation of animals within City limits; and

WHEREAS, Chapter 91 of the Eureka Municipal Code establishes regulations governing animals within the City, including provisions relating to animal control, public safety, and responsible ownership; and

WHEREAS, the City Council recently adopted uniform administrative hearing procedures codified in Title I, Chapter 10, Sections 10.110 through 10.118 of the Eureka Municipal Code, to establish consistent, fair, and efficient procedures for administrative hearings conducted by the City; and

WHEREAS, certain enforcement actions under Chapter 91 would benefit from alignment with the City's uniform administrative hearing procedures to ensure due process, consistency across departments, and clarity for members of the public; and

WHEREAS, the City sponsors and permits large public events, including but not limited to Friday Night Market and Fourth of July celebrations, which involve dense crowds, food vendors, amplified sound, fireworks, and other conditions that may present heightened safety risks when domestic animals are present; and

WHEREAS, the presence of dogs and other domestic animals in crowded event settings may create risks including animal bites, leash-related trip hazards, interference with emergency access, food safety concerns, and animal distress caused by loud noises and large crowds; and

WHEREAS, California Health and Safety Code Section 114259.5 restricts live animals in food facilities except as otherwise permitted by law, and the City finds that regulating animals within designated special event footprints promotes public health and compliance with state law; and

WHEREAS, nothing in this Ordinance is intended to restrict or impair the rights of individuals with disabilities who utilize service animals as defined under the Americans with Disabilities Act (42 U.S.C. § 12101 et seq.) and applicable California law; and

WHEREAS, the City Council finds that establishing clear authority to regulate dogs and other domestic animals within designated special event areas, while providing appropriate exemptions for service animals, will promote public safety, reduce liability exposure, and improve the overall experience for event attendees; and

WHEREAS, the City Council finds that the regulations set forth in this Chapter are intended to apply uniformly to all persons within the City, regardless of housing status, and that consistent and equitable standards for the care, control, and ownership of animals are necessary to protect public health, safety, and welfare for all residents, including those who are housed and unhoused, while promoting humane treatment of animals and responsible ownership practices; and

WHEREAS, the City Council finds that excessive and prolonged animal noise, including barking, can constitute a public nuisance by unreasonably disturbing the peace, comfort, and repose of neighboring residents, and that clear standards and enforcement mechanisms are necessary to address such impacts and protect community quality of life; and

WHEREAS, the City Council further finds that updating Chapter 91 to incorporate cross-references to Title I, Chapter 10 administrative hearing procedures will promote procedural fairness and administrative efficiency.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF EUREKA DOES ORDAIN AS FOLLOWS:

For purposes of this chapter, the following definitions apply, unless the context clearly indicates or requires a different meaning:

ABANDON. The act of leaving an animal without adequate food, adequate water, or adequate care for 24 hours or more; or leaving an animal in a situation where the conditions present an immediate, direct, and serious threat to the life, safety, or health of the animal or to public safety. It also means to desert, forsake, or absolutely give up an animal on public property or on another's property without having secured another owner or custodian for the animal.

ALTER. To permanently render an animal incapable of reproduction.

ANIMAL. Includes any members of the kingdom Animalia, except for Homo sapiens.

ANIMAL CONTROL OFFICER. Any person who is appointed by the Chief of Police for the purpose of aiding in the enforcement of any ordinance or law relating to the welfare, licensing, control, quarantine, seizure, or impoundment of animals. The Chief of Police or his or her designee will supervise the Animal Control Officer.

AT LARGE. Any domestic animal away from the premises or property of its owner, and not under physical restraint, such as a leash no longer than six feet in length. A domestic animal will not be considered at large when: (1) the animal is assisting a peace officer who is engaged in law enforcement duties; or (2) the animal is enrolled in and actually participating in a training or obedience course, exhibition, or competition conducted by an organization on private or public property with the permission of the owner or operator of the grounds or facilities.

CARE. The responsible practice of good animal husbandry, handling, production, management, confinement, feeding, watering, protection, shelter, transportation, treatment, exercise, enrichment, and when necessary, euthanasia, that is appropriate for the age, species, condition, size, and type of animal. It also refers to the provision of veterinary care when needed to prevent suffering or impairment of health.

CARRIAGE. Any non-motorized vehicle with four wheels that carries people

CAT FANCIER. An owner who wishes to keep four or more cats four months of age or older on any enclosure, building structure, dwelling unit, lot or area in their possession. Cat fanciers must obtain a cat fancier's license from the city.

CUSTODIAN. *Any person who undertakes the personal care and control of an animal. Excludes law enforcement officer, Animal Control Officer, Animal Shelter, or licensed veterinarian.*

DOG FANCIER. An owner who wishes to keep four or more dogs four months of age or older on any enclosure, building structure, dwelling unit, lot or area in their possession. Dog fanciers must obtain a dog fancier's license from the city.

DOMESTIC ANIMAL. Includes dogs and cats, except feral animals, as well as horses, donkeys, mules, burros, cattle, sheep, goats, swine, llamas, camels, rabbits, and fowl commonly kept or raised as farm or livestock animals.

ENCLOSURE. A fence or structure to prevent the entry of young children, and that is suitable to confine a vicious dog in conjunction with other measures that may be taken by the owner or keeper, such as tethering the dog within the enclosure. When in use, the enclosure must be securely locked and have secure sides and bottom, sufficient to prevent the animal from escaping.

ESTRUS. A regularly recurrent state of sexual receptivity during which the female of most mammals will accept the male and is capable of conceiving, often referred to as "heat" or "in season".

EXERCISE. The opportunity for an animal to move sufficiently to maintain normal muscle tone and mass for the age, species, size, and condition of the animal.

EXOTIC ANIMAL. Any animal kept as a pet other than those species defined in this section as "household pet" or "livestock". Reptiles, amphibians, arachnids and birds of the orders Psittaciformes, Passeriformes, and Piciformes are considered EXOTIC ANIMALS. This section is not meant to allow endangered, protected or wild animals to be kept as pets in violation of any federal or state law in the absence of legally required permits.

Under this chapter, shelters with wire, grid, or slat floors that permit the animal's feet to pass through the openings, sag under the animal's weight, or otherwise do not protect the animal's feet or toes from injury are not adequate shelter. Materials not suitable for shelters include, but are not limited to:

Except as prescribed by a veterinarian, animals must have access to water at all times. Water must be provided in clean and durable receptacles that are accessible to each animal and are placed so as to minimize contamination of the water by excrement and pests.

- B. No person is allowed to leave an animal in any unattended vehicle without adequate ventilation or in such a manner as to subject the animal to extreme temperatures that adversely affect or have the potential to imminently affect the animal's health or welfare. If an animal is left unattended in violation of this division, any Animal Control Officer, firefighter, fire marshal, or law enforcement officer is authorized to remove the animal from the vehicle if they determine the animal is being confined in a manner that is detrimental to its health and safety, and after making a reasonable attempt to contact the owner.
- C. An animal found to be transported, left or confined in violation of this subdivision may be impounded and taken to a veterinarian for any care needed and then placed at an animal shelter. A written notice will be left attached to the vehicle with the impounding officer's name, badge number, and contact information, as well as the time, date, and location where the animal is being held.

- D. Any person who violates this subdivision will be responsible for all costs and expenses incurred by the city resulting from the violation, including, but not limited to, animal care and medical treatment, impound costs, and removal costs.
